

### 2009-10 Junior Olympic National Team Open Slots

*Pair/groups are listed in alphabetical order by club name. Rankings were not assigned to the pair/groups. Per the JONT Selection Procedures, a maximum of three pair/groups can be selected per level. If positions on the team are available, the Athlete Selection Committee may select pair-groups from the National Team Open Slot Selection as defined in Section IV of the JONT Selection Procedures. A total of five wild card slots can be used for any event and level and two alternates per event per level. The Athlete Selection Committee is not obligated to select pair/groups for all available positions.*
