

World Gymnaestrada

*Philosophy*

# World Gymnaestrada

5.1 The World Gymnaestrada is the sole world-wide Gymnastics for All event officially organised by the FIG. It includes performances from all areas of Gymnastics FOR All, with the exclusion of competitions

# The World Gymnaestrada

The objectives of the World Gymnaestrada includes:

- Advertising the value and diversity of Gymnastics for All
- Encouraging the spread of Gymnastics for All worldwide
- Providing incentives for meaningful work within National Federations
- Inspiring enjoyment in exercise and encouraging personal activity

# World Gymnaestrada

- Demonstrating the possibilities of different conceptions and diffusing ideas about them
- Presenting the most recent findings and developments in Gymnastics for All
- Assisting in the general and technical education of Coaches
- Bringing together gymnasts from the four corners of the globe as a contribution towards the friendship of nations
- Presenting Gymnastics for All to a wider public

# The World Gymnaestrada
