

Be Prepared for the Olympic Boom!

USA Gymnastics is proud to launch its first-ever, high definition national television advertising campaign. In order to help jumpstart grassroots marketing for clubs leading to the 2012 Olympic Games in London, USA Gymnastics has produced two professionally-made commercials – one aimed at girls and the other at boys – to help promote the sport of gymnastics and its benefits to young athletes in the Olympic year!

Brand new, high definition television commercial available to USA Gymnastics Member Clubs now!

The commercials are available free of charge for Member Clubs to embed on their websites and social media channels.

- Member Clubs can purchase one high definition commercial for \$100 or both commercials for \$150!
- Commercials include time at the end of the ad for clubs to add their own information, such as contact information and logo.
- Commercials can be shown on local TV stations or at a local venue, like a movie theater.
