USA Gymnastics is providing an opportunity for coaches to receive placement in the university above the initial entry level. This is done with the assumption that the applicant has received higher education through previous USA Gymnastics education and **extended work experience**.

***Experienced professionals are not required to apply for pre-placement. They are welcome to enter the university at the initial level (Instructor) and complete applicable coursework.

If you are **not** eligible but still feel you have qualifications for placement in the university, please email placement@usagym.org (i.e. Foreign Coaches). All must enter the university through **Course U100 - Fundamentals of Gymnastics Instruction**.

Placement Process:

- Placement is done by capturing work experience you provide and coursework obtained through USA Gymnastics.
- If you are eligible for university pre-placement based on criteria above, please complete the Pre-Placement Application and submit through **mail, fax or email** to the contact listed at the bottom of this page.
- Placement in multiple schools is available to those qualified for pre-placement.
