The Trampoline & Tumbling Program hosted the JumpStart National Team Camp on March 11-14 in Huntsville, Ala., at The Matrix. The team consists of athletes ages 7-12 who were named to the team after their February National Testing in Oklahoma.

USA Gymnastics would like to thank those who helped with the testing: Bev Lloyd, Crissy LaFollette, Chauncy Haydon, Shaun Kempton, Susan Jacobson, Toni Mortillaro, and Mary Swafford, who served as testers; Jeremy Waldridge, who wrote the scoring program; Mitchell and Priscilla Godi and their staff, who hosted the testing in their gym, T3/SSB Kids.

Thanks to National Coaching Staff members Shaun Kempton, Sergio Galvez and Joy Umenhofer who served as clinicians at the JumpStart National Team Camp. Also, thanks to Jeffrey Brown, a member of the tumbling senior national team, who helped with the camp.

Trampoline and Tumbling Director Ann Sims said, "This year's testing was a great success. We have a number of talented athletes and the future looks very bright!"

JumpStart is the talent identification program, used to identify future elite athletes at a young age and provide education for their coaches as they prepare for the eventual move to the highest level. ✘
