This clinic is for everyone — beginner to advanced — who wants to learn Acrobatic Gymnastics or increase their skill level in the sport.

CLINICIANS: Member of the National Coaching Staff, 2017 National Team Members, Growth & Development leaders, Acrobatic Program Committee members, and Acrobatic Gymnastics Program Director

EVENT ORG.: Clinicians will separate attendees into groups that will offer hands-on demonstrations in Acrobatic Gymnastics skills/stunting, tumbling skills, and the new Blocks program.

Registration Closes July 31

Some of our top-ranked coaches, athletes, and administrators will introduce the sport of Acrobatic Gymnastics and help to develop skills, techniques, and demonstrate how skills are translated between disciplines (Artistic Gymnastics, Cheer, Acro and Tumbling, Acrobatic Gymnastics, and GFA). The focus will be on education for both coaches and athletes.
