Ronda Francis, NECC

ATHLETE REPRESENTATIVE (to Acrobatic Program Committee (APC) and Athlete Selection Committee (ASC)):

Per the Operating Code, the APC determines which of the two elected Athlete Directors serves on the APC, and subsequently on the ASC. The APC discussed the two current Athlete Directors, Jessica Renteria (term began 1/1/2018) and Dylan Maurer (term began 1/1/2016), on the USA Gymnastics Athlete's Council and what role each should play in the Acrobatics program. The APC will be relying on both elected members to cultivate and strengthen relationships with the Acrobatic Gymnastics athletes across the country, as well as, help listen to concerns, provide important feedback to the APC, and motivate and encourage athletes within the program.

Recommendation for Dylan Maurer to fill the role of Athlete Representative on the Program Committee and Athlete Selection Committee.
