High Performance Coordinator (non-voting)	Carisa Laughon
Independent Observer (non-voting)	Eric Rochford

### Summary of Meeting

The Athlete Selection Committee connected with the independent observer in person at the Community Sports & Wellness Center in Pendleton, IN and reviewed the selection criteria.

### Petitions

No petitions were submitted for the 2021 Acrobatic World Team Trials.

### Consideration of Criteria and Decision

The selection committee first reviewed the automatic qualification listed out below.

#### **1. AUTOMATIC QUALIFICATION**

List the automatic qualification criteria and explain how they will be used (if any):

A pair/group will automatically qualify to the WC Team if *all* the following criteria are met at the 2021 World Team Trials competition.

- a. The pair/group must finish first place in their respective event, and
- b. The pair/group must meet or exceed the scores listed below in all three (3) exercises.
  1. Minimum difficulty values:

	Women's Pairs	Men's Pairs	Mixed Pairs	Women's Group	Men's Group
Balance	v150	v150	v210	v180	v180
Dynamic	v130	v140	v180	v140	v140
Combined	v180	v180	v220	v180	v180

2. 17.5 Execution score
3. 8.75 Artistry score

After review of this criteria it was determined that the Women's pair of Emily Davis and Aubrey Rosilier were named to the 2021 World Championships team.

## 2. Discretionary Criteria

The selection committee then considered and regarded highly the following selection criteria when looking at the other pairs and groups dynamic, balance and combined routines:

1. Readiness to compete
2. International caliber of routines
3. Difficulty values
4. Other discretionary criteria, as listed in the selection procedures

The Selection Committee all agreed that all other groups and pairs showed readiness to compete, their routines were of international caliber and their difficulty was above or within range of the minimum difficulty requirements for each routine. All other pairs and groups also were in close range of the scores needed for automatic qualification.

As a result of this process, the Athlete Selection Committee assigned the following pairs and groups to the 2021 USA Gymnastics World Championships Team.

- Women's Pair: Emily Davis and Aubrey Rosilier
- Men's Pair: Angel Felix and Braiden McDougall
- Women's Group: Victoria Blante, Eily Corbett and Cassidy Cu
- Women's Group: Elanor Chang, Kayla Vonder Haar and Grace Vonder Haar

I confirm to the best of my knowledge, information, and behalf, this report accurately reflects the April 24 and 25, 2021 meetings of the Athlete Selection Committee for the 2021 World Championships.
