## **ACROBATIC GRANT PROGRAM APPLICATIONS LAUNCH**

### *The Acrobatic Gymnastics Foundation Kicks Off Their Annual Athlete Assistance Grant Program*

**Lees Summit, Missouri, January 11th, 2023** - Today the Acrobatic Gymnastics Foundation (AGF) announced that it will begin accepting applications for the 2023 competition season on January 15th, 2023. Grant applications will be accepted until February 15th, 2023. The grant program provides financial support to qualifying U.S. acrobatic gymnasts. This is the eighth year of the AGF's commitment to the success of acrobatic gymnasts through needs-based financial assistance to help athletes train and compete. Former acrobatic gymnastics World Champion and AGF founder Kristin Allen commented, "*Ever since I was 9 years old, I had the dream of being a World Champion in the sport of Acrobatic Gymnastics. I came up with the idea of doing something to give back to the sport. That's how the Acrobatic Gymnastics Foundation was born.*" Since 2016, the AGF has awarded \$68,000 to athletes ranging from Level 6 through Senior Elite to help fund acro-related expenses such as training, competition wear, travel expenses, etc. for the athletes who need it the most.
