COMPULSORY TARIFF SHEETS
(LEVELS 4-7)

Preparation of the pair/group tariff sheets for Acrobatic Gymnastics Levels 4-7

Each pair/group entry at Levels 4-7 must submit a tariff sheet. There are specific deadlines to meet for filing these forms, and penalties will be assessed for late forms as well as improperly completed forms.

1. The appropriate tariff sheet from the following appendix pages is to be copied and used for competition at Levels 4 - 7.
2. Type or print all information requested.
3. Fill in the full name for each athlete in the pair or group.
4. The Entry Number is completed by the coach based on the pair/group’s ID. This ID can either be generated by the Acrobatic Gymnastics Online Registration System or by the Regional Administrative Committee Chairman. The pair/group’s ID should remain the same throughout the season. If any partner changes within the pair/group a new ID is required.
   a. A .1 deduction will be taken if the pair/group entry number is not indicated on the tariff sheet.
5. Indicate the age group of the athletes.
6. Fill in the name of the club, name of the head coach, and contact information for the coach.
7. Levels 6 and 7 athletes perform the skills, which are illustrated in the Specifications. On the tariff sheet, coaches are to number the elements in order of performance. If a choice of elements is given in one box, circle the option that will be performed. The same individual elements are to be performed by all partners unless specifically noted otherwise on the tariff sheet.
8. The tariff sheets for Levels 4 and 5 are already prepared for use, since the order of elements is mandatory. Only the club, coach and athlete information must be completed.
9. Refer to Section 6.6 in the Specifications for instructions, deadlines and penalties regarding submitting tariff sheets.
