World Gymnaestrada 2011

FÉDÉRATION INTERNATIONALE DE GYMNASTIQUE

To all affiliated federations

Lausanne July 2008

Invitation to the 14th World Gymnaestrada Lausanne SUI 2011

Dear Friends of Gymnastics,

The Fédération Internationale de Gymnastique and the Organising Committee of the 14th World Gymnaestrada – Lausanne 2011 has pleasure in inviting all the FIG affiliated federations to take part in the World Gymnaestrada to be held in Lausanne, Switzerland

10-16 July 2011

The World Gymnaestrada is one of the worldwide Gymnastics for All FIG events. This event is to be organised under the responsibility of the FIG Gymnastics for All Committee. It is organised by a Local Organising Committee, under mandate of the affiliated federation, whose bid was accepted by the FIG Council in 2006.

This will be the third time that the Swiss Gymnastics Federation is organising the World Gymnaestrada. The first was in 1969 in the city of Basel and in 1982 Zurich was the host city.

Now the event will be held in LAUSANNE, in the southern part of Switzerland, 50 km northeast of Geneva. Lausanne, surrounded with high mountains, is situated on the shores of Lake Geneva. The city is also called the Olympic capital as the International Olympic Committee and the Olympic Museum is to be found here. Many International Sports federations are also in Lausanne and from July 2008 the FIG will have its new Headquarter there.

The World Gymnaestrada, organised by the FIG since 1953, gives everyone the possibility to participate in an International Gymnastics Event, without competition. We hope that we can welcome gymnasts of all ages and from the whole world to join us in the largest gymnastics' event that the FIG organises.

In the second week of September 2008, all affiliated federations will receive the first Information Bulletin from the Organising Committee. You already can find useful information at www.wg-2011.com

The first information meeting, organised by the FIG Gymnastics for All Committee and the Organising Committee will be held in Lausanne in 27-29 March 2009. All federations will be invited.

WELCOME TO THE 14th WORLD GYMNAESTRADA IN LAUSANNE 2011

With our best regards,
