

Meet Directors Did You Know???

- In April 2012 domestic sanction pricing is changing to one price of \$90, regardless of how many attendees will be at the event. Please note, pricing for foreign sanctions will remain the same.
- Professional members that are in a pending status are not allowed access onto the floor a USA Gymnastics sanctioned. Any Professional member who wishes to be on the floor of a sanctioned event **MUST** have a current membership, with current safety risk management and background check certification.
- It is the responsibility of the meet director to verify that all participants at the sanctioned event are current USA Gymnastics members in good standing, with all applicable member types, certifications, and levels/disciplines **BEFORE** they are allowed on the floor of the sanction event.
- Failure to comply with the rules and policies, not only affects the insurance coverage for the other participants, but may result in a fine, voiding of meet results, loss of sanctioning privileges, and/or possible probation of Professional membership.
- All meet directors **MUST** be affiliated with either a USA Gymnastics Member Club or Registered Business in order to sanction events.
- Sanction Report forms are required to be returned to the National Office within 7 business days of the event.
