I. Roll Call
Members Present:

Steve Butcher, MPC Secretary & Jr. Coaches Rep. (joined call for 30 minutes)

II. USA Gymnastics Special Bonus – Vault
The committee discussed Special Bonus recommendations for Vault that were provided by Ron Brant and Steve Butcher.

Motion: Gymnasts competing for an all-around score:
Any gymnast performing a 9.9 or 10.0 FIG valued vault on his first attempt may perform a second vault to attempt to improve his vaulting score. The higher of the two scores will be added to his all-around final score.

Gymnasts competing to qualify to the Event Finals:
A gymnast must perform two vaults from different categories to be eligible to qualify to the event finals.
♦ The combined average of the two vaults will determine the qualifiers.
♦ If either of the two vaults has a 9.9 or 10.0 FIG value, the gymnast may perform a second vault to attempt to improve his score on the 9.9 or 10.0 valued vault. However, the gymnast is limited to a maximum of three vaults and may only repeat one of the two vaults performed. Example: a gymnast decides to repeat his first 9.9 or 10.0 vault then he may not repeat his second vault regardless if it has a 9.9 or 10.0 start value. A fourth vault will not be allowed.
♦ Prior to repeating a vault, the gymnast or coach must clearly designate to the judge that a vault being performed is an ALTERNATE vault that may replace the vault he just performed.
♦ A gymnast may not perform two 9.9 and/or 10.0 vaults and then decide to repeat the first of the two vaults performed. A gymnast may only repeat one vault and it must immediately follow the first attempt.
♦ The highest score of the vaults performed will be counted toward his final all-around score. This is a modification to the FIG rule that states that the first vault score will count toward the all-around score.
♦ The combined average of the best score of the two different vault categories will determine the qualifiers to the event finals for vaulting.
♦ A gymnast will only be allowed to perform two vaults from different categories in the Event Finals competition and no repeating of vaults will be allowed regardless of start value.
