For a petition onto the National Team to be considered, it must be submitted in writing to the Acrobatic Gymnastics Program Director and meet the following requirements:

- C. Petitioning athletes MUST submit a video for review following guidelines listed below. Athletes who are unable to attend 2021 USA Nationals Championships due to conflict with competing at 2021 World Championships are not required to submit videos along with their petition.
- D. Petitions will be considered in the event of an injury, illness, family death, or other extenuating circumstances.
 - i. The petition must include the date and nature of the injury and/or illness, family death, or other extenuating circumstance.

- F. Petitions will be considered by the Selection Committee based on discretionary criteria listed (II.C).
- G. Petition Video Guidelines
 - i. All competition videos must be from the judge's viewpoint, as close to a normal judge's position as possible.
 - ii. Perspective should be from the front center of the floor.
 - iii. Recording device set up on table, or on tripod (preferred) slightly above height of table.

 - vi. The video must be HD quality; standard HD (720 or 1080).
 - vii. The video must be stable, without shaking or bumps. Use of a tripod is helpful.
 - viii. Video should be captured using landscape perspective.
 - ix. As much as possible, the camera should remain static. Camera should remain at a steady distance to see all athletes and skills and should only be moved from side-to-side if the entire floor is not visible. The camera should not be moved up and down to capture the routine.
 - x. All partners must be visible at all times. This includes for high skills and tosses, as well as when the partners are spread around the floor.
 - xi. Video must include the athletes' salute and walk on at the beginning of the exercise, the complete exercise, and the salute and walk off at the end of the exercise.
 - xii. Sufficient lighting is required to guarantee all athletes can be seen clearly. The floor should be completely lit and glares on the video should be avoided.
 - xiii. Music must be clear and loud enough on the video. Consider placing a speaker near the camera.
 - xiv. Video submissions must be within 3 weeks of WTT. Video must consist of all competition routines with all skills,

full amount of difficulty, and artistry. Competition attire is allowed but not required. Note: Coaches should precautionarily take videos of performances leading up to WTT in the event a petition would be required. It is recommended these videos are taken every week leading up to the event to avoid any problems.

H. Covid petitions: Covid petitions will be considered in the event that an athlete cannot compete due to inability to pass Covid requirement protocols designated by the event. Athletes submitting the covid petition would need to follow all requirements as outlined above. (Section III).

This may include, but is not limited to, the retirement of athletes, changes in partnerships, changes in competition level, injuries, etc.
