This pair/group is age-eligible and plans to attend the 2021 PAGU Championships in the same age group and partnership.

This pair/group will move age groups after WCH/WAGC and would not participate in 2021 PAGU Championships at the same level. *Note: pair/groups could still be named to the national team at the level at which they competed at WAGC/WCH, but will not be named to the PAGU Team. There may be opportunities to be added to the PAGU Team in a different age category at the Fall National Team Training Camp.*
