Summary of the Meeting

The World Team Selection Committee connected with the independent observer and Mary by video conference and reviewed the selection criteria. The Final Results are defined by combined results from the All Around events at the 2019 U.S. Championships (2 days) and the 2019 World Team Selection Camp (2 days). The top 10 team score scenarios used from the Final Results include the top three (3) scores for each athlete and the top two (2) scores for each athlete per selection criteria.

Sam Mikulak was automatically selected to the World Championship team at the conclusion of the 2019 World Selection Camp as the Final Results All Around leader.

There was no other automatic qualifier as defined by selection procedures.

Due to special circumstances of an athlete's approved petition directly to the World Team Selection Camp, the World Team Selection Committee considered the use of the top 2 scores per athlete team scenario.

The highest scoring team score scenario for both the top 2 scores per athlete and top 3 scores per athlete included Sam Mikulak, Trevor Howard, Shane Wiskus, Akash Modi and Yul Moldauer.

The World Team Selection Committee considered medal potential in the All Around and Individual Event competitions. Sam Mikulak and Yul Moldauer have a history of medaling in World Championships and World Cup competitions from 2017-2019.

The remaining criteria in the selection procedures were used for consideration of all athletes and all remaining team scoring scenarios and determined there was not enough weight to deviate from the top scoring team mentioned above.

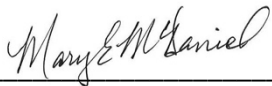

Allan Bower was named traveling alternate and Donnell Whittenburg and Colin Van Wicklen were named as non-traveling alternates.

The Head Coach of the team was selected based on experience and demonstrated team leadership ability on the field of play in international competition and working knowledge and familiarity with World Championships team athletes. The athletes' opinions were also taken into consideration.

Each athlete's club will be represented by a coach at the World Championships.

Each Committee member and the Independent Observer were asked for further comments or questions. None were voiced. The meeting was closed and the High Performance Director, along with the World Team Selection Committee, held a team meeting to announce the team with the World Team Selection Camp participants.

I confirm that, to the best of my knowledge, information, and belief, this report accurately reflects the September 7, 2019 meeting of the Athlete Selection Committee for the 2019 Men's Artistic World Championships.
