1.2.2. Provide event names, dates, locations and description of how athletes qualify for the trials, events and camps listed above in 1.2.1. (if any):

a. Athletes may qualify to compete in the 2020 U.S. Championships through the following methods:

• An athlete may petition to compete in the 2020 U.S. Championships using the process described in Section 1.4.

b. Athletes may qualify to compete in the 2020 U.S. Olympic Team Trials – Men’s Gymnastics through the following methods:
  • By being named to the Senior National Team following the 2020 U.S. Championships.
    o The process for earning a position on the Senior National Team at the 2020 U.S. Championships will be published no later than March 1, 2020 and will be found at https://usagym.org/pages/men/events/program_events.html.
  • An athlete may petition to compete in the 2020 U.S. Olympic Team Trials – Men’s Gymnastics using the process described in Section 1.4.

1.3. Provide a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process.

USA Gymnastics may qualify a maximum of six (6) athletes to the 2020 Olympic Games within three (3) different categories of qualification as defined in the International Gymnastics Federation (FIG) document Qualification System – Games of the XXXII Olympiad – Tokyo 2020 (“FIG Qualification Document”) which can be found at: http://www.gymnastics.sport/site/rules/rules.php#13

The selection process is outlined in the following sections of the FIG Qualification Document and are dependent on the U.S. qualifying the associated quotas:

Section 1: Team Competition – Four (4) athletes
Section 2: NOC Qualified Athletes – maximum of two (2) athletes*
Section 3: Nominatively Qualified Athlete – maximum of one (1) athlete*

*Note – the maximum number of athletes who may qualify to the 2020 Olympic Games in Sections 2 and 3 combined is two (2) athletes.

1.3.1. Section 1: Team Competition

For team competition, the U.S. Olympic Team will be comprised of four (4) athletes who will be nominated to the USOC. At least one (1) and up to three (3) replacement athletes will also be determined.

The results from the Selection Events (see a. below) will be used to identify the team which will produce the highest medal potential for the four-man team. Because there are two (2) competition formats that will be contested in Tokyo at the 2020 Olympic Games (three (3) athletes compete, three (3) scores count AND four (4) athletes compete and three (3) scores count), as well as All Around and Individual Event medal considerations, a variety of
scenarios need to be evaluated by the 2020 Olympic Games Selection Committee.

The process for selection of the four (4) team members and replacement gymnasts for the team competition at the 2020 Olympic Games is a combination of the following:

a. **Final Results:** The Final Results will be determined using combined results from the All Around event at both the 2020 U.S. Championships (two (2) days of competition) and the 2020 U.S. Olympic Team Trials – Men’s Gymnastics (two (2) days of competition). The 2020 U.S. Championships and 2020 U.S. Olympic Team Trials – Men’s Gymnastics are the Selection Events.

b. **Automatic Selection:**
   i. Place first in the Final Results (as defined in a.) at the conclusion of the 2020 U.S. Olympic Team Trials – Men’s Gymnastics.
   ii. Place second in the Final Results (as defined in a.) at the conclusion of the 2020 U.S. Olympic Team Trials – Men’s Gymnastics. In addition, to be eligible for automatic selection, the second place athlete must have placed in the top three (3) on a minimum of three (3) of the six (6) individual events using the Final Results (as defined in a.). An athlete who places second in the Final Results but does not place in the top three (3) on three (3) different events may be selected to the team as provided for in items 1.3.1.c.i. through ii. (below Team Score Scenarios).

c. **Discretionary Selection:**
   Athletes who do not automatically qualify to the team as noted in b. above will be considered by the 2020 Olympic Games Selection Committee through an evaluation of the factors outlined below. The pool of competitors to be considered for selection under this method consists of athletes who competed in the 2020 U.S. Olympic Team Trials – Men’s Gymnastics or from submitted petitions to qualify directly to the 2020 U.S. Olympic Team following the process outlined in 1.4. Up to three (3) athletes may be selected if the second place athlete does not meet the automatic qualification criteria as noted in b.ii. At least one (1) and up to three (3) replacement athletes will also be selected from this pool of competitors.

**Factors to be considered for Discretionary Selection:**
In addition to any athlete(s) who may qualify to the team per 1.3.1.b., the 2020 Olympic Games Selection Committee will consider the factors noted in 1.3.1.c.i. and 1.3.1.c.ii. when selecting the remaining Olympic Team members and potential replacement athletes (at least one (1) and up to three (3)).
**Team Score Scenarios using the final results:** as defined in 1.3.1.a – The top 10 team score scenarios will be created from the final results using:

- the top three (3) scores for each athlete and
- the top two (2) scores for each athlete for both team qualification and team finals formats.

The team score scenarios and factors listed below will be evaluated using the criteria as noted:

i. The team score scenarios using the top three (3) scores in the team finals format will be given precedence when evaluating the team using all of the following criteria:
   - Team medal potential (as perceived based on the final results compared to available results from the top five (5) countries in the world from FIG Sanctioned competitions held in 2019 and 2020).
   - Ability of team to successfully qualify to the team finals (as perceived based on the team scores scenarios compared to available results for the 12 countries with teams qualified to the Olympic Games from FIG Sanctioned competitions held in 2019 and 2020).
   - Medal potential for All Around and Individual Event competition (as perceived based on the available results for the top six (6) athletes in the All Around and the top six (6) athletes for each Individual Event from FIG Sanctioned competitions held in 2019 and 2020).

ii. All of the following information will only be used to provide additional information in the event that the committee cannot come to a final decision using the criteria noted in 1.3.1.c.i.:
   - The team scenarios using the top two (2) scores per athlete may be used for further evaluation in the case of a petitioned athlete or an athlete who may not be able to complete all events in all sessions of the selection events due to sickness or injury.
   - The percentage of hit routines by the gymnast in the Selection Events.
     - A hit routine is defined as a routine that does not include a large deduction or greater (as defined in the FIG Code of Points) on any single skill within the routine.
   - Start values (D Score) on each apparatus from the Selection Events (average of all routines performed).
   - Execution (E Score) on each apparatus from the Selection Events (average of all routines performed).
   - All scores from the Selection Events to be used for evaluating consistency.
• Domestic and international performance and experience from 2016 to 2020, including type, frequency, routine hit percentage and caliber of the event(s).
• Demonstrated professional attitude and ability to positively contribute to the team dynamic.
• Any physical, training or performance factor, which might inhibit peak performance at the 2020 Olympic Games.

The four (4) members who will be nominated to the U.S. Olympic Team will be identified at the conclusion of the men’s competition at the 2020 U.S. Olympic Team Trials – Men’s Gymnastics.

Replacement athletes (at least one (1) and up to three (3)) will be determined within 24 hours after the conclusion of the 2020 U.S. Olympic Team Trials – Men’s Gymnastics.

1.3.2. Section 2: NOC Qualified Athletes

As defined in the FIG Qualification Document, a maximum of two (2) NOC Qualified Athlete quotas may be awarded to a country based on results at either the World Cup All Around Series in 2020 and/or results in the All Around event at the 2020 Senior Pan American Championships (referred to as “Continental Championships” in the FIG Qualification Document).

a. The Men’s Program Committee (MPC) will make competitive assignments to the events detailed in the FIG qualification system. Eligibility and assignment criteria to NOC qualifying competitions (World Cup events/Senior Pan American Championships) are as follows:
   i. Must be a current FIG age eligible National Team Member.
   ii. MPC will make national team international competitive assignments based on athlete competitive results, performance and perceived ability to be highly competitive in the field for:
      • Top three (3) All Around points at 2020 World Cup All Around Series events or
      • Top three (3) All Around in 2020 Senior Pan Am Championships results (considering FIG restrictions noted in the FIG Qualification Document)

   The MPC will use the criteria referenced in Section 2.2. as applied to the results from all USA Gymnastics senior national competitions and FIG Sanctioned events from 2019 and 2020.

b. Process for the selection of up to two (2) athletes to fill the NOC Qualified Athlete quota place(s) and participate in the 2020 Olympic Games is as follows:
i. The same methods outlined in Section 1.2.1 and 1.2.2. will establish the pool of athletes eligible to be selected to an NOC Qualified Athlete quota place(s).

ii. The 2020 Olympic Games Selection Committee will select up to two (2) athletes, provided those quota spots are qualified, based on the goal of maximizing medal potential in individual event competition at the 2020 Olympic Games using all of the criteria referenced in 1.3.1.c.ii., outside of the team scenarios.

1.3.3. Section 3: Nominative Qualified Athlete

A maximum of one (1) position will be awarded to an athlete by name to the 2020 Olympic Games based on the final results of the 2018-2019/2019-2020 FIG Individual Apparatus World Cup Series events as defined in the FIG Qualification Document.

a. The MPC will make national team international competitive assignments to the Individual Apparatus World Cup Series events detailed in the FIG Qualification Document. Eligibility and assignment criteria for the Individual Apparatus World Cup Series events are as follows:
   i. Must be a current National Team Member.
   ii. MPC will make national team international competitive assignments based on the athlete’s competitive results, performance and perceived ability to be highly competitive in the field for a number one (1) world ranking in Individual Event points in the Individual Apparatus World Cup Series as defined in the FIG Qualification Document. The MPC will evaluate event assignment based on perceived ability to be highly competitive using the criteria referenced in 1.3.1.c.ii. as applied to all USA Gymnastics senior national competitions and FIG-sanctioned events from 2018, 2019 or 2020.
   iii. An athlete may maintain his competition assignment based on ability to place in the top three (3) at assigned events on any individual event in order to stay competitive for the number one (1) points ranking, on a single event, in Individual Apparatus World Cup Series points as evaluated by the MPC following each World Cup event.

b. An athlete who is ranked number one (1) on an Individual Event at the conclusion of the Individual Apparatus World Cup Series, according to the rules detailed in the FIG Qualification Document, has qualified himself by name to the 2020 Olympic Games. No replacement of this athlete is possible except as outlined in the FIG Qualification Document and there is no possibility to submit a petition for this position. In addition, an athlete who earns a nominative position to the Olympic Games must confirm their participation with the FIG as noted in the FIG Qualification Document, and once confirmed, that athlete is no longer eligible for consideration for the four-man Olympic team event.
1.4. Petition Procedures:

1.4.1. Notwithstanding the process identified in the preceding sections of these Selection Procedures, USA Gymnastics recognizes that extraordinary and unforeseen circumstances may occur which would cause an athlete otherwise deserving of a spot on the 2020 U.S. Olympic Team because of his previous competition results to be unable to participate in one or more steps in that process.

Petition Rights: Athletes may petition to USA Gymnastics for the right to:

- Enter the 2020 Winter Cup Challenge
- Enter the 2020 U.S. Championships
- Enter the 2020 U.S. Olympic Team Trials – Men’s Gymnastics
- To be selected as a 2020 Olympic Games participating athlete

All petitions must state the specific injury, illness or unusual circumstance, which prohibited the athlete from participating in the competitive process (see Men’s Rules and Policies at: https://usagym.org/PDFs/Men/Rules/Rules%20and%20Policies/injury-petition.pdf).

In the case of a petition based upon an injury or illness, the petition must be accompanied by a physician’s statement, and the nature and extent of that injury or illness is subject to verification by a doctor approved by USA Gymnastics.

Athletes must also be able to demonstrate through 2019 or 2020 competitive results from USA Gymnastics senior national or FIG Sanctioned events that they are highly competitive in the field with other athletes qualified for the 2020 Winter Cup Challenge, 2020 U.S. Championships, 2020 U.S. Olympic Team Trials – Men’s Gymnastics or named Olympic team members, as applicable.

a. Petition Procedures and Requirements
   i. Only athletes who meet the following criteria may submit a petition:
      - A petition to enter the 2020 Winter Cup Challenge or 2020 U.S. Championships may be submitted by any athlete.
      - A petition to enter the 2020 U.S. Olympic Team Trials – Men’s Gymnastics may only be submitted by an athlete who is or has
been a Senior National Team Member in 2016, 2017, 2018, 2019 or 2020.

- A petition directly onto the 2020 U.S. Olympic Team may only be submitted by an athlete who was an Olympic or World Team member in 2016, 2017, 2018 or 2019 and who has participated in a minimum of one (1) day of competition at one (1) of the Selection Events as noted in 1.3.1.a, or by an athlete who has participated in a Selection Event and is in the first, second or third position in the 2020 National Points Ranking System based on completed sessions of competition. Further if an athlete has completed less than three (3) days of competition at the selection events, his average scores (final score, D Score and E score for each event) based on competition participation at any or all of the following:
  - the 2019 U.S. Championships
  - 2020 Winter Cup Challenge and
  - at all FIG Sanctioned events in 2019 and 2020

will be used for the purpose of evaluating performance comparison for the team score scenarios noted in 1.3.1.b.

ii. Petitions to the 2020 Winter Cup Challenge, 2020 U.S. Championships and 2020 U.S. Olympic Team Trials – Men’s Gymnastics will be considered for approval by the MPC.

- Petitions to the 2020 Winter Cup Challenge and 2020 U.S. Championships must be submitted in writing to the Vice President of Men’s Program no later than the published registration and/or petition deadline for the 2020 Winter Cup Challenge or the 2020 U.S. Championships. All petitions will be resolved within 14 days of the petition deadline.

- Petitions to the 2020 U.S. Olympic Team Trials – Men’s Gymnastics must be submitted in writing to the USA Gymnastics Vice President of Men’s Program no later than the published registration deadline for the 2020 U.S. Championships. All petitions will be resolved within seven (7) days of the petition deadline.

- For those athletes who must withdraw from competition at the 2020 U.S. Championships, the petition is due on the date of withdrawal from the 2020 U.S Championships, or for those athletes who participated in any portion of the 2020 U.S. Championships, by the conclusion of the 2020 U.S. Championships. All petitions will be resolved within 48 hours of the conclusion of the 2020 U.S. Championships.

iii. The 2020 Olympic Games Selection Committee will consider petitions directly onto the 2020 U.S. Olympic Team. In order to be considered by the Selection Committee, petitions onto the 2020 U.S. Olympic Team must be submitted in writing to USA Gymnastics Vice President of Men’s Program as soon as practical after the athlete becomes aware
of his inability to participate in the applicable qualification competition(s).

iv. An athlete who successfully petitions onto the 2020 U.S. Olympic Team will be named at the conclusion of the 2020 U.S. Olympic Team Trials – Men’s Gymnastics along with the other nominated team members.

v. A successfully petitioned 2020 U.S. Olympic Team athlete will be required to demonstrate readiness at the 2020 Olympic Games Team Preparation Camp noted in Section 9. The criteria for demonstrating readiness are:

- The 2020 Olympic Games Selection Committee will inform the athlete on which events he must show readiness at the preparation camp. The athlete must perform full routines at the preparation camp on those events (he may also perform routines on the other events).

- All of the athlete’s routines will be judged by a minimum of two (2) judges who participated as judges at the 2020 U.S. Olympic Team Trials – Men’s Gymnastics.

- The Selection Committee will use the scores from the routines the athlete performed at the preparation camp and apply the selection criteria referenced in 2.2. to evaluate the athlete’s performance to assess whether the athlete would have been named to the 2020 U.S. Olympic Team.

- If the Selection Committee determines that the athlete’s performance is not at the level necessary to have been named to the 2020 U.S. Olympic Team, then the athlete will not have shown readiness and will be removed from the 2020 U.S. Olympic Team.

- Replacement of the athlete will follow the guidelines described in Section 4.

b. There is no possibility to petition for a Nominative Olympic Games petition as described in 1.3.3.

2. DISCRETIONARY SELECTION (if applicable)

2.1. Provide rationale for utilizing discretionary selection (if any):

The sport of gymnastics is a subjectively judged event. In the selection of athletes who will compete together as a team, it is difficult to make selection decisions based solely by the rank order to be competitive for both team and individual event.
medals. The current rules do not require athletes to compete on all events, which necessitate evaluating relative event strength and contribution to total team or event scores in order to maximize medal potential.

2.2. List the discretionary criteria and explain how they will be used (if any):

Refer to the Factors to be considered for Discretionary Selection provided in section 1.3.1.c.i-ii. for a description of the discretionary criteria and how they will be used.

2.3. Provide the name of the committee that will be responsible for making discretionary selections, along with a complete list of the members’ titles currently serving on the committee:

3. REMOVAL OF ATHLETES

3.1. Prior to entry by name to the Local Organizing Committee by the USOC, USA Gymnastics has jurisdiction over potential nominees.

An athlete who is to be nominated to the Team by USA Gymnastics may be removed for any of the following reasons, as determined by USA Gymnastics:

3.1.1. Voluntary withdrawal. Athlete must submit a written letter to the President/CEO of USA Gymnastics.

3.1.2. Injury or illness, which inhibits peak performance as certified by a physician (or medical staff) approved by USA Gymnastics. If an athlete refuses verification of his illness or injury by a physician (or medical staff) approved by USA Gymnastics, his injury will be assumed to be disabling and he may be removed.

3.1.3. Violation of USA Gymnastics’ Code of Ethical Conduct, National Team Agreement, or Men’s Program National Team Responsibilities Manual, which may be found online at https://usagym.org/pages/men/pages/selection_procedures.html

3.1.5. Failure to show readiness in the case of a petitioned athlete as described in 1.4.1.a.v.

An athlete who is removed from the Team pursuant to this provision has the right to a hearing per USA Gymnastics Bylaws, and the USOC’s Bylaws, Section 9.

3.2. Once athlete entries have been submitted to the Local Organizing Committee by the USOC, the USOC has jurisdiction over the Team, at which time, in addition to any applicable USA Gymnastics Code of Conduct, the USOC’s Code of Conduct and Grievance Procedures apply. The USOC’s Code of Conduct and Grievance Procedures can be found: www.teamusa.org/Athlete-Resources/Athlete-Ombudsman/Games-Info/Athlete-Conduct www.teamusa.org/Footer/Legal/Governance-Documents

3.3. An athlete may be removed as a nominee to the Team or from the Team for an adjudicated violation of IOC, WADA, FIG, USADA and/or USOC anti-doping protocol, policies and procedures, as well as the Policies and Procedures of the U.S. Center for
SafeSport, the USOC Athlete Safety Policy and USAG’s SafeSport policies, as applicable.

4. REPLACEMENT OF ATHLETES

4.1. Describe the selection and approval process for determining replacement athlete(s) should a vacancy occur:

4.1.1. Prior to submission of entries by name to the Local Organizing Committee, including any applicable group or committee:

If necessary, the Selection Committee will identify which of the replacement athletes (as defined in 1.3.1.) will be selected to replace a previously nominated athlete using the Discretionary Selection criteria referenced in Section 2.2.

4.1.2. After submission of entries by name to the Local Organizing Committee, including any applicable group or committee:

- After acceptance by the USOC but prior to departure to the Olympic Games Preparation Camp, the 2020 Olympic Games Selection Committee will determine which of the replacement athletes will be selected to replace a previously nominated athlete, if necessary, using the Discretionary Selection criteria referenced in Section 2.2.
- After arrival at the mandatory Olympic Games Preparation Camp and until the start of 2020 Olympic Games participation, the 2020 U.S. Olympic Team Head coach, USA Gymnastics High Performance Director, the Vice President of Men’s Program, and the named Selection Committee athlete representative will determine which replacement athlete will be selected to replace a previously nominated athlete, if necessary, using the Discretionary Selection criteria referenced in Section 2.2.

5. SUPPORTING DOCUMENTS

A 2020 Olympic Games Athlete Selection Committee Report, outlining the work and decisions of the Selection Committee, will be made available for distribution to all athletes and coaches who participated in the selection events within a reasonable amount of time after the conclusion of the 2020 U.S. Olympic Team Trials – Men’s Gymnastics. The report will be made public on the USA Gymnastics website. USA Gymnastics retains the sole discretion to determine the contents and timing of the report.

USA Gymnastics will retain the approved Selection Procedures and all supporting documents, including scouting or evaluation forms, etc., and data from the selection process for six months past the date of the Closing Ceremony of the Games.

* If the USOC AAC Representative has delegated authority to the Alternate AAC Representative to sign the Selection Procedures, attach a letter from the AAC Representative indicating the reason he/she has delegated authority.

* Signature by the Athlete Representative constitutes that he/she has read and understands the Selection Procedures. If the Athlete Representative reads and does not agree with the Athlete Selection Procedures being submitted by the NGB, he/she may submit those reasons in writing to the USOC Sport Performance Team.

* If, for some reason, a sport does not have an elected USOC AAC Representative, the NGB must designate an athlete from that sport to review and sign the Selection Procedures.
