

2021 U.S. Olympic Team Trials
Olympic Team, World Championships, and Senior National Team Funding
May 20, 2021

I. Olympic Team Selection

- Olympic Team Selection can be found here:
https://usagym.org/pages/men/pages/selection_procedures.html

II. 2021 World Championships

- World Championships Selection can be found here (once they have been approved):
https://usagym.org/pages/men/pages/selection_procedures.html

III. Senior National Team Funding

- Following the U.S. Olympic Team Trials, 12 Senior National Team funded spots will be named in the following priority order:
 1. Athletes named to the Tokyo Olympic Team (maximum of 5 athletes). Replacement athletes are not included.
 2. Athletes who are invited and accept the invitation to participate at the 2021 World Championship Trials (including Olympic Team members)
 3. The MPC will name the remaining funded National Team spots based on the following discretionary criteria:
 - If applicable, the athlete who earned the +1 Olympic spot from the 2021 Continental Championships, if that athlete has not already earned a funded spot
 - Results from 2021 domestic championships, Continental Championships, and Olympic Trials, using the following metrics:
 - a. D scores as compared to the athletes already named to funded spots
 - b. E scores as compared to the athletes already named to funded spots
 - c. Average scores across competitions as compared to athletes already named to funded spots
 - d. Consistency across competitions – an athlete’s ability to maintain consistent performances from one event to the next without significant decrease in performance

The official announcement of the funded National Team members will be made by USAG following all necessary MPC meetings. Official minutes from MPC meetings and Independent Observer report, if applicable, will be published on the USAG website.
