## **Attachment A - USA GYMNASTICS CODE OF ETHICS**

### **I. Introduction**

The mission of USA Gymnastics is to encourage participation and the pursuit of excellence in all aspects of gymnastics. USA Gymnastics grants the privilege of membership to individuals and organizations committed to that mission. The privilege of membership may, therefore, be withdrawn by USA Gymnastics at any time where USA Gymnastics determines that a member's conduct is inconsistent with the mission of the organization or the best interest of the sport and those who participate in it.

In order to assist all members to better serve the interests of those who participate in gymnastics, USA Gymnastics has adopted the Ethical Code which follows. This Code is not intended to establish a set of rules that will, by inclusion or exclusion, prescribe the appropriate behavior for USA Gymnastics' members in every aspect of their participation in the sport. Rather, the Code offers general principles to guide the conduct, and the judicious appraisal of conduct, of all USA Gymnastics' members (including employees and agents of USA Gymnastics) in situations that have ethical implications.

This Code cannot further ethical conduct in the sport of gymnastics; that can only come from the personal commitment of the participants in the sport to behave ethically. This Code is offered instead to guide and to affirm the will of all of USA Gymnastics' members to safeguard the best interests of the sport by acting ethically at all times.

### **II. Elements of the Code**

#### **A. Participant Relationships.**

Members of USA Gymnastics are charged with the responsibility for contributing to an environment which makes participation in the sport a positive and rewarding experience. In order to achieve that result, each professional member has a special obligation to make decisions based on the best interest of the athlete. It is inconsistent with this obligation for any member to:

1. Fail to follow the safety guidelines established by USA Gymnastics, or otherwise knowingly subject a participant to unreasonable physical or emotional risk.
2. Engage in conduct which unfair including, in particular, is attempting to injure, disable or intentionally interfere with the preparation of a competitor.
3. Engage in conduct toward another participant in the sport which is abusive. USA Gymnastics recognizes that the process for training and motivating athletes will vary with each coach and each athlete, but it is nevertheless incumbent on everyone involved in the sport to support the development and use of motivational and training methods that avoid conduct which is, or is likely to be perceived as being, abusive.
4. Discriminate in the provision of resources or opportunities to any member or prospective member on the basis of race, sex, creed, sexual orientation, age, national origin or mental or physical disability.
5. Attempt to intimidate, embarrass or improperly influence any individual responsible for judging or administering a competition.
6. Engage in business practices directed toward another member which are determined by a court, or other similar adjudicatory body, to be unethical, illegal or a breach of contract.

## **B. Participation.**

Any USA Gymnastics' activity or event should be open to any member properly qualified under the rules of that activity or event, and every member participating in a USA Gymnastics' activity or event has an obligation to participate to the best of their abilities. It is inconsistent with this obligation for any member to:

1. Restrict the ability of a member to qualify for or participate in competition because of the member's association with a particular organization or individual or because of that member's race, sex, creed, sexual orientation, age, national origin or mental or physical disability.
2. Participate as a judge, coach, athlete or administrator in any activity where that judge, coach or athlete is inadequately prepared, unable to participate or fails to participate to the best of his or her ability.
3. Engage in behavior which is so disorderly or inappropriate as to interfere with the orderly conduct of the activity or other members' participation in, or enjoyment of, the activity.

## **C. Responsibility.**

A member of USA Gymnastics has a responsibility to the sport of gymnastics and the rules and regulations which govern it. It is inconsistent with this obligation for any member to:

1. Knowingly misrepresent the policies or actions of USA Gymnastics or its authorized representatives.
2. Fail to resort in the first instance to the established procedures for challenging a competitive result, contesting a team selection decision, complaining about the conduct of another member, or attempting to reverse a policy adopted by USA Gymnastics.
3. Breach the duty to maintain appropriately established confidences of USA Gymnastics or its members.
4. Knowingly make false certifications on membership or event sanction applications or otherwise regarding the involvement of persons permanently ineligible for USA Gymnastics membership with regard to club, event, or advertised activities.

## **D. Communication.**

Members of USA Gymnastics have a duty to communicate honestly and openly with the organization and its members. It is inconsistent with this obligation for any member to:

1. Misrepresent competitive achievements, professional qualifications, education, experience, eligibility, criminal record or affiliations.
2. Knowingly disseminate false or misleading information about another member.
3. Withhold from athlete members information or resources likely to enhance the athletes' enjoyment of the sport or reduce their risk of injury or illness.
4. Fail to consult with or inform fully the athlete or the athlete's parents about opportunities made available to the athlete involving competitions, commercial activities or recognition.
5. Misrepresent the nature or extent of an injury in order to decline an invitation to participate in or withdraw from a competition assignment, training camp or other similar activity.

6. Misrepresent the nature or extent of an injury in order to participate in (or cause an athlete to participate in) a competition, training camp or other similar activity when such participation is inconsistent with the appropriate medical response to the injury.

**E. Alcohol and Drug Abuse.**

Members of USA Gymnastics must ensure that the sport is conducted in an environment free of drug or alcohol abuse. It is inconsistent with this obligation for any member to:

1. Use or provide to a third party any drug proscribed by applicable federal, state or municipal law.
2. Assist or condone any competing athlete's use of a drug banned by the International Olympic Committee, United States Olympic Committee, Federation Internationale de Gymnastique, USA Gymnastics, or National Collegiate Athletic Association, or, in the case of athlete members, to use such drugs or refuse to submit to properly conducted drug tests administered by one of those organizations.
3. Provide alcohol to, or condone the use of alcohol by, minors, abuse alcohol in the presence of athlete members or at USA Gymnastics' activities or, in the case of athlete members, consume alcoholic beverages while a minor.

**F. Criminal Conduct.**

Members of USA Gymnastics are expected to comply with all applicable criminal codes. This obligation is violated by any member who has been convicted of or has entered a plea of guilty or no contest to a criminal charge or indictment involving sexual misconduct, child abuse, or conduct that is a violation of a law specifically designed to protect minors, and, depending on the nature of the crime, may be violated by any member who has been convicted of or has entered a plea of guilty or no contest to any felony charge or indictment involving conduct other than that specifically described above.

**G. Sexual Misconduct.**

Members of USA Gymnastics are expected to promote a safe environment for participants, coaches, officials, volunteers and staff in all gymnastics disciplines, which includes an environment free from sexual misconduct. It is inconsistent with this obligation for any member to:

1. Solicit or engage in sexual relations with any minor.
2. Engage in any behavior that utilizes the influence of a professional member's position as coach, judge or administrator to encourage sexual relations with an athlete or participant.
3. Engage in sexual harassment by making unwelcome advances, requests for sexual favors or other verbal or physical conduct of a sexual nature where such conduct creates an intimidating, hostile or offensive environment.

**H. Sexual Relationships.**

Professional Members of USA Gymnastics must protect the integrity of the sport and the interests of the athletes they serve by avoiding sexual relationships with athletes except where the capacity and quality of the athlete's consent to enter that relationship is beyond question.

### **I. Professional and Athletic Development.**

Members of USA Gymnastics should strive to increase their level of proficiency and skill. To fulfill this obligation professional members should:

1. Participate in continuing education programs such as Safety/Risk Management Certification or other curriculum made available by USA Gymnastics University.
2. Remain current on safety, health and training developments relevant to the sport and seek advice and counsel of colleagues and experts whenever such consultation is in the best interests of the athlete.

### **J. Conflict of Interest.**

Members of USA Gymnastics are responsible for avoiding both actual and perceived conflicts of interest in the conduct of business on behalf of the organization. It is inconsistent with this obligation for any member to:

1. Use, or be perceived as using, USA Gymnastics' properties, services, opportunities, authority or influence to gain private benefit.
2. Fail, as an employee, director, officer or committee member of USA Gymnastics, to complete an annual conflict of interest of form, or fail to complete that form accurately.
3. Incur expenses in furtherance of USA Gymnastics' business which are unreasonable, unnecessary, or unsubstantiated.
4. Participate in the deliberation or decision making process about any issue for which the member has a direct financial interest.

### **III. Enforcement of Code**

Compliance with this Code depends primarily upon understanding and voluntary compliance, secondarily upon reinforcement by peers, and, when necessary, upon enforcement through disciplinary action.

Any individual who believes that a member of USA Gymnastics has failed to meet his or her obligations under this Code is, under all but the most egregious circumstances, encouraged to first address that concern directly to that member. If that action does not result in a satisfactory resolution, the individual may file a written complaint with the President, program director or other appropriate staff member of USA Gymnastics. That complaint must be signed and state specifically the nature of the alleged misconduct. Upon review of the complaint and, where appropriate, additional discussions with the complainant and/or member who is the subject of the complaint, the President may:

1. Determine that the complaint does not merit further action,
2. Counsel the member who is the subject of the complaint and record both the complaint and the nature of the counseling in the member's permanent record,
3. Refer the complaint, as appropriate, to the state or regional chairs/committees or affiliated organization, or
4. Process the complaint under the member misconduct or grievance procedures of USA Gymnastics' Bylaws.

**Attachment B - USA GYMNASTICS  
2011 NATIONAL TEAM  
FUNDING AND SUPPORT AGREEMENT**

This Agreement is entered into between USA GYMNASTICS (USA Gym), a not-for-profit corporation designated by the United States Olympic Committee (USOC) as the national governing body for the sport of gymnastics in the United States and \_\_\_\_\_ (referred to as "I," "me," or "you" throughout), an athlete member of USA Gym who has been selected to the USA Gym's National Team.

**Recitals**

1. In order to meet its obligation as the national governing body for the sport of gymnastics (including fielding teams to represent the United States in international competition), USA Gym selects, trains and funds National Teams. As part of that process, USA Gym desires to provide to me, as a member of its National Team (the "Team"), various forms of support designed to assist me in my training and competitive efforts.
2. I am a member in good standing of USA Gym whose performance in USA Gym competitions qualifies me for the Team, and I desire to be a member of the Team. As a member of the Team, I am willing to devote my best efforts to use the support provided by USA Gym to develop my full potential as a gymnast.

Now, therefore, USA Gym and I agree as follows:

**I. Athlete's Obligations**

In consideration for the support provided by USA Gym to me as a member of the Team, I agree to be bound by each of the following:

1. General Responsibilities. I recognize that as a member of the Team, I am serving as a representative of the thousands of gymnasts participating in gymnastics throughout the United States who are members of USA Gym, and I will conduct myself accordingly. I accept the responsibility, therefore, to comply at all times with USA Gym's Code of Ethics (a copy of which is attached to this Agreement as Exhibit A) so long as the provisions or application of that Code of Ethics is not inconsistent with or superceded by the standards established by the Ted Stevens Olympic and Amateur Sports Act or the policies of the United States Olympic Committee.
2. Testing. I will participate in all required physical and psychological testing conducted by USA Gym.

3. Competition. Recognizing the critically important role played by USA Gym's events in generating the funds necessary to support the Team, I will use my best efforts to participate in those national or international competitions and exhibitions to which I am invited or assigned by USA Gym. Notwithstanding the foregoing, I will not be obligated to participate in any competition or event if I am not medically fit to do so, or if such participation would create a risk of injury based on an existing condition. Further, USA Gym will consult with me before determining the competitions to which I will be assigned.

When I accept an invitation to compete in an event as a member of the Team, I will make every effort to perform to the best of my ability. I will participate for the full duration of the event unless I am excused by the Head of Delegation or Program Director. I also acknowledge that I understand that my participation in gymnastics competitions, exhibitions, and/or events that are not sanctioned by USA Gym or the International Gymnastics Federation (FIG) may jeopardize my eligibility to participate in competitions sanctioned by the FIG.

4. Other Team Selection. During the course of this Agreement, I recognize that I may have the opportunity to qualify for teams selected by USA Gym to compete in such international events as the Olympic Games, World Championships, Pan American Games and World University Games. I acknowledge that these teams are selected in accordance with written selection procedures which will be published in USA Gym publications and/or web-site and provided to me as a member of the Team. I further acknowledge my obligations to make myself familiar with and to be bound by those selection procedures.
5. Banned Substances. I will not use any chemicals, drugs or other banned substances, or violate policies and procedures established by the United States Anti-Doping Agency (USADA), the FIG, the IOC, the USOC, or the World Anti-Doping Agency (WADA). I acknowledge that the list of banned substances, policies and procedures may change during the course of this Agreement and that I have an obligation to stay informed about changes communicated to me by any of the aforementioned organizations. I further agree to submit to periodic unannounced drug tests as required by WADA, USADA, the USOC, IOC or the FIG. *USADA website:* [www.usantidoping.org](http://www.usantidoping.org).
6. Eligibility. I will maintain my eligibility to compete in national and international gymnastics competition under the eligibility rules established by USA Gym or FIG. I understand, however, that the eligibility rules of USA Gym or FIG may not be consistent with the eligibility requirements of high school or collegiate athletic associations, and I accept full responsibility for keeping myself informed about, and to the extent I desire, in compliance with the eligibility requirements of those athletic associations.

7. Use of my Image. I grant to USA Gym the non-exclusive right to use, license, assign, sell or otherwise use my name, image, likeness, voice or performance as a member of the Team for the purpose of:
- a. Promoting the sport of gymnastics, my achievements as a gymnast, and the work of USA Gym,
  - b. Promoting events sponsored or sanctioned by USA Gym, provided, however, that this right shall not extend to events in which I am not scheduled to participate or events having a title or presenting sponsor that is a competitor of a company with which I have an endorsement relationship,
  - c. Producing educational or safety materials,
  - d. Producing television broadcasts, recordings or other factual accounts of the performance of the Team and its members,
  - e. Raising funds for USA Gym through the sale of merchandise (including photographs, posters, and prints) featuring images of the Team or any images or collection of images featuring three or more members of the Team, or
  - f. Allowing a company to identify itself as a national sponsor or official supplier of USA Gym in advertising or promotions approved by USA Gym. This grant is subject to the following conditions:
    - (1) such advertising or promotion incorporates a minimum of three (3) athletes of the same sex in an advertisement or promotion that is clearly team-themed and does not suggest that I have a relationship with the sponsor; or
    - (2) each athlete whose name, picture, image or performance is used provides his or her written consent.

In any instance where USA Gym raises funds through the sale of merchandise featuring my image pursuant to subsection 7(e) above, I will be compensated under mutually agreed upon terms. Whenever requesting my participation in a promotional activity, USA Gym will identify the financial terms (if any) associated with my participation, and commits to make sure that all funds made available by a sponsor to pay for athlete/coach appearances will be used only for that purpose.

8. Sponsors. This agreement does not limit my ability to enter into a commercial relationship with a third party, including third parties who are competitors of USA Gym's sponsors or suppliers. I recognize, however, the important role played by the sponsors of USA Gym, USA Gym events and the Team in helping to fund and promote the Team and my participation on the Team. Accordingly, when I am presented with a commercial opportunity I will, where I conclude in my sole discretion that to do so will not jeopardize that opportunity, give to an existing USA Gym sponsor in the same product category the right, and a reasonable period of time within which to exercise the right, to match the terms and conditions of any offer made to me by a competitor of that sponsor. I understand that I am not permitted to convey to my sponsors any marketing rights associated with USA Gym or the Team. By way of example, I am not permitted to wear Team apparel or refer to my membership on the

Team in advertising and promotions conducted by sponsors who are not sponsors of USA Gym. USA Gym has provided to me as Exhibit B to this Agreement a list of USA Gym's sponsors and suppliers.

9. Promotion of the Team. Consistent with my training and competition schedule, I recognize that all of us involved in USA Gym and the Team have an obligation to make a good-faith effort to participate in activities designed to teach gymnastics skills or promote the sport of gymnastics, the work of USA Gym, the Team, and USA Gym events. Such activities may include, but are not limited to, Team meetings, national and regional congresses, clinics, seminars, promotional appearances on behalf of USA Gym events and programs and sessions with members of the media.
10. Appearance. I will meet all prescribed guidelines for appearance whenever appearing or traveling as a member of the Team. I understand that those guidelines may also obligate me to wear certain types of competition, training and leisure apparel when appearing as a member of the Team, including opening and closing ceremonies of a competition. Those guidelines do not, however, limit my ability to use the competition shoes/socks, grips and wrist supports or other medical braces of my choice.
11. Travel. I will have in my possession a valid and current passport and be prepared to notify USA Gym of the passport number and place and date of issue. ## **Attachment C – National Team and Delegation Responsibilities Manual**

This manual includes the duties and responsibilities of the USA Trampoline & Tumbling official delegation to international competitions.

International competitions are a great opportunity for each of us to contribute to our sport. Our performance in various roles is highly visible to organizing committees and international observers and is critical to our overall impression. This manual will provide a list of duties and responsibilities that will allow us all to be prepared for the opportunity of a lifetime.

When competing as a team, understand that conformance with every aspect of these guidelines is essential to show team unity and achieve team goals. In order to compete successfully at the international level minimum standards are required. These requirements are outlined in this manual.

All athletes, coaches, and support staff must either alter their usual schedules prior to arrival or be prepared to function within these parameters so that all athletes feel they are preparing as a team. This will provide the system necessary for each individual to assume their responsibility and fully support the team concept.

It is **mandatory** for all team members and their coaches to sign the agreement which will indicate that he/she agrees to all aspects of the Trampoline & Tumbling Delegation Responsibilities Manual. This applies to the coaches who are designated as the Head or Assistant Coaches, as well as the personal coaches who are members of the delegation. Failure to do so could result in dismissal from duties at the event and/or ineligibility for consideration for any further involvement with the team

We owe our best effort to the American people, to our sport, to each other and, most of all, to ourselves. Let us all eagerly welcome and rise to the challenge.

## General Responsibilities

As a member of the USA Team, compliance with the guidelines established in this manual will be expected of **ALL MEMBERS for the full duration of training camps, competitions, or other activities sponsored by USA Gymnastics**. The national office will make every effort in arranging your transportation and housing needs. When traveling internationally, living environments, food, and competitive arenas are sometimes quite different than those to which we are accustomed. Please be prepared to accept these differences and make your best effort to adapt to the circumstances.

While we recognize that individuality is an important aspect of our culture, personal agendas and individual needs must become secondary to our team goals. Everyone included in our delegation is compelled to conduct his or herself in the most professional dignified manner for the duration of the event. Our mission is to represent our country, our sport and ourselves at the highest level possible. These events should be considered as an honor and a responsibility. Please understand that adherence to this manual is a requirement of all delegation members. Should any delegation member be dismissed or expelled because of non-compliance to the manual, they also may lose funding and benefits associated with team memberships.

Friends and families can provide a distraction for the team members. Therefore, all visitation with parents will be designated by the Team Leader based upon the best interest of the team. When a team member is not qualified to team finals, or individual finals, he/she still must adhere to the daily schedule and all team rules. Any distraction from the duties and responsibility of the team could be detrimental to the ultimate success.

## Athletes

As a member of the USA Team, each athlete will be expected to assume the following responsibilities when representing the USA or at training camp. ## Personal Coaches

The personal coach (one) of each athlete will be invited, if approved by the Sr. Program Director, to participate in all major competitions. It is believed that the coach deserves this recognition and has earned the right to experience these events with his/her athletes. Each personal coach is responsible for the conduct of their athlete(s). This includes their physical, mental and emotional performances. USA Gymnastics will make every effort to obtain a credential for each of the coaches involved. If there are not enough credentials for all coaches, the Senior Director of the Trampoline & Tumbling Program will determine who will receive the credential. We strongly recommend that only one coach per club travel with the delegation. While we recognize that it is possible two coaches are necessary to develop high level athletes, proper training in the final stage will allow the athlete to function optimally with one coach.
