#### D Petition Procedures

Notwithstanding the process identified in the preceding sections of these Selection Procedures, USA Gymnastics recognizes that extraordinary and unforeseen circumstances may occur which would cause an athlete otherwise deserving of a spot on the 2018 World Championships Team because of his/her previous competition results to be unable to participate in one or more steps in that process.

1. Procedures for petitioning into the 2018 USA Gymnastics Championships are listed in the Trampoline & Tumbling Rules & Policies [Section VI.II.B.1-6](#).
2. Athletes may petition directly to the 2018 World Championships Team.
3. Petitions to the 2018 World Championships Team will be considered for approval by the Selection Committee and must be received by the Trampoline & Tumbling Program Director as soon as practical after the athlete becomes aware of his/her inability to participate in the applicable competition and no later than the conclusion of competition at the 2018 USA Gymnastics Championships.
4. The petition must state the specific injury, illness or unusual circumstance which prohibited the athlete from participating in the competitive process. In the case of a petition based upon injury or illness, the petition must be accompanied by a

physician’s statement. The nature and extent of that injury or illness is subject to verification by a doctor selected by USA Gymnastics.

5. To be eligible to petition, the athlete must have been an individual finalist (top 8) at the 2016 Olympic Games, 2017 World Championships or 2017 World Games, or the U.S. National Champion in 2017 or 2018.
6. In considering the petition, the Selection Committee will utilize the discretionary criteria outlined in II.B.3.

E. Selection Committee Members

1. The Selection Committee (SC) is a three-member voting body:

| <b>Trampoline</b>   | <b>Tumbling</b>  | <b>Double Mini Trampoline</b>                          |
|---|--|--|
| Elite Committee Chair *   | Elite Committee Chair *                                | Elite Committee Chair *                                |
| National TRA Head Coach<br>OR Junior National TRA<br>Coach                      | National TUM Head Coach                                | National DMT Head Coach                                |
| Athletes’ Representative  | Athletes’ Representative                               | Athletes’ Representative                               |
| High Performance<br>Coordinator (voice, no<br>vote) **                          | High Performance<br>Coordinator (voice, no<br>vote) ** | High Performance<br>Coordinator (voice, no<br>vote) ** |
| National TRA Head Coach<br>OR Junior National TRA<br>Coach (voice, no vote) *** |  |  |

\* The Elite Committee Chair will serve as the SC Chair.

\*\* The High Performance Coordinator will present any background information relevant to selection (verbal or written report).

\*\*\* The Trampoline National Coaches will work together as part of the Selection Committee, but will only have 1 vote between them.

2. Conflict of Interest

In the event that an SC member is currently affiliated with any athlete in consideration for a team, or is unable to fulfill the obligations of the SC for any reason, a replacement will be named in the following order:

- Chair of the Program Committee
- Program Director
- Additional replacement member(s) named by the SC Chair, with preference given to:
  - Members of the SC for other T&T disciplines
  - International experts (athlete / coach / judge with world-level competition or judging experience)

Should the National Head Coach be replaced due to a conflict of interest, they will retain the right to present a selection recommendation (complete with reasoning), and answer questions from the SC, after which time they will be required to leave the selection meeting.

Should the Athletes’ Representative be replaced due to a conflict of interest, another athletes’ representative must fill that position.

## II. DISCRETIONARY SELECTION

- A. Provide rationale for utilizing discretionary selection (if any):
1. Trampoline & Tumbling is a subjectively judged event. It is difficult to make selection decisions based solely on the rank order. Additionally, athletes can be severely penalized for failing to complete their entire routine or touching anything other than the competition surface.
- B. List the discretionary criteria and explain how they will be used (if any):
1. The Selection Committee may choose additional team member(s), in addition to those who automatically secured a place on the team pursuant to I.C.3.a., following the conclusion of the 2018 USA Gymnastics Championships.
  2. To be eligible for consideration under discretionary criteria, the athlete must be a petitioning athlete per I.D, or, in the case that the Selection Committee needs to determine the 5<sup>th</sup> athlete between a petitioning athlete and an athlete who had the next highest Combined Score per I.C.3.b.
  3. Criterion used by the Selection Committee will include:
    - Verification at the 2018 World Championships Preparation Camp (applies to line-up decision only)
    - Routine “hit” percentage, with priority placed on the 2018 World Championships Preparation Camp (applies to line-up decision only), and including recent international performance
    - Recent international performance (result, type, frequency, and level)
    - Recent domestic performance (result, type, frequency, and level)
    - Total score potential: prior qualification total score or final pass score
    - Demonstrated professional attitude, compliance with responsibility manual, and ability to positively contribute to the team dynamic
  4. Criterion used by the Selection Committee to approve the National Team Trampoline Head Coaches’ recommendation for synchronized trampoline pairs include:
    - Existing pair with prior successful results
    - Based on the recent performances of the athletes named to the World Championships team for individual trampoline, identification of a new pairing with likely medal potential.
  5. Discretionary criteria will also be used by the individuals identified in I.C.6. to make the line-up determinations.

## III. REMOVAL OF ATHLETES

- A. An athlete who is selected to the team by USA Gymnastics may be removed for any of the following reasons, as determined by USA Gymnastics:
1. Voluntary withdrawal. Athlete must submit a written letter to the President of USA Gymnastics.

2. Injury or illness which inhibits peak performance as certified by an approved USA Gymnastics physician (or medical staff). If an athlete refuses verification of her illness or injury by an approved USA Gymnastics physician (or medical staff), his/her injury will be assumed to be disabling and he/she may be removed.
  3. Lack of performance in training, which inhibits peak performance at the World Championships
  4. Trampoline athletes – Inability to successfully verify complete routines as required in section I.C.5.
  5. Violation of the USA Gymnastics’ Safe Sport Policy, Code of Ethical Conduct, National Team Agreement or the Trampoline & Tumbling [Responsibilities Manual](#).
  6. Removal may only occur by action of the President of USA Gymnastics after consultation with the T&T Program Director and the Athlete Representative, and an interview with the athlete and his/her coach. Any decision to remove an athlete or coach may be reviewed through the USA Gymnastics Grievance Procedures. An athlete who may be removed from the team pursuant to this provision has the right to a hearing per USA Gymnastics Bylaws (Article 10).
- B. An athlete may be removed from the team at any time for violation of WADA, IF, USADA and/or USOC anti-doping protocol, policies and procedures, as applicable. In such instances, the adjudication process will be managed through the United States Anti-Doping Agency.

#### IV. REPLACEMENT OF ATHLETES

- A. Describe the process by which the replacement pool of athletes will be identified:

Upon naming the 2018 World Championships team, athletes in any gender/discipline where five athletes have been named to the team are eligible to be replacement athletes, unless they have locked themselves as a Competing Athlete per I.C.6. a. or b.

At the conclusion of the preparation camp, the individuals identified in I.C.6.c will identify replacement athletes, if any, for each gender/discipline, using the discretionary criteria as described in II.B.

- B. Describe how the replacement athlete(s) will be selected, should a vacancy occur:

1. Prior to departure for Preparation Camp, if a member of the Team is unable to travel for any reason, the following process will be used to determine a replacement.

The Selection Committee will determine if an additional athlete will be selected to the team. In making this decision, the Committee will evaluate a number of factors including:

- Whether the next athlete in rank order in the Combined Results met the criteria described in I.C.3.a.
- Proximity of World Championships competition.

- Discretionary selection criteria described in II.B.
  - Whether the athlete was named to the World Age-Group Competition team.
  - The time required to apply for travel visas will dictate the last time at which an additional athlete may be named.
2. After the conclusion of the Preparation Camp, if a member of the team is unable to compete due to injury, voluntary withdrawal or removal, the following process will be used to determine a replacement.
- If an Alternate had previously been named during the selection process, the Alternate in the gender/discipline where the vacancy occurred will automatically become a Competing Athlete.
  - If a vacancy occurs in Synchronized Trampoline, the National Trampoline Team Head Coach will determine if one of the remaining trampoline team members (including the Alternate if one is present), who is not currently part of a synchronized pair, will fill the vacancy in synchronized trampoline using the criteria in II.B.
- C. Identify the group or committee that will be responsible for making athlete replacement determinations:
- See I.E. and I.C.6.c.

## V. COACH SELECTION

- A. The Coaches for the 2018 World Championships Team will be selected from among the national team head coaches as well as the personal coaches of the team members. - Violation of the USA Gymnastics' Safe Sport Policy, Code of Ethical Conduct or Trampoline & Tumbling [Responsibilities Manual](#).
- A coach shall automatically be deemed removed if the individual becomes ineligible for leadership pursuant to Section 2.4 of USA Gymnastics Bylaws or fails to meet the affirmative duty required by Section 2.4 of the Bylaws.
