Ranking of Athletes

Athletes shall be ranked using their placings at all National competitions and all International Competitions representing USA for the year prior to selection (preliminaries for Junior Trampoline and all Tumbling and Double mini; finals for Senior trampoline). More recent and more important competitions will be weighted more heavily:

- Head-to-head rankings between US athletes at the same competitions.
- Ranking within US athletes at the past 12 months' national and international competition (only recorded for completed routines).
- Demonstrated professional attitude, compliance with responsibility manual, and ability to positively contribute to the team dynamic.

This ranking will be a guide only, and other relevant information may be taken into account.
