

2021 T&T National Team Athlete Support Agreement

Senior Trampoline Athlete Tiers

Due to cancellations associated with the COVID pandemic, athlete tiers will continue to follow the allocations assigned for January-March 2020, through to June 31, 2021. From July 1 2021, athlete tier assignment will resume on the basis of quarterly review, using a rolling 18-month calendar from date of review. Athletes may increase their tier standing from July 1 2020 but will not drop more than 1 tier from their January-March 2020 allocation through to December 31, 2021, so long as they remain on National Team.

All athlete tier qualification requirements refer to individual achievements only.

Note: athletes are unlikely to receive the maximum resource or financial benefits upon their initial movement into a new tier. Athletes are expected to consistently achieve the qualification requirements in a given tier for maximum resource and financial benefits.
