## Cali 2021 Quotas

The following athletes were the gold medalist who qualified directly at the Cali 2021 Junior Pan American Games for the Santiago 2023 Pan American Games:

QUALIFIED ATHLETES FOR SANTIAGO 2023		
Event	Athlete	Quota
Individual	Rayan Dutra – BRA	1 – M
	Mariola Garcia - MEX	1 - W
<b>TOTAL</b>	<b>1 man 1 woman</b>	<b>2 athletes</b>

If the athletes who obtained the place cannot participate in the Santiago 2023 Pan American Games, said places will be lost and may not be transferred to a country or to any other athlete who finished in another place in the Cali 2021 Junior Pan American Games.

The athletes who qualified at the Cali 2021 Junior Pan American Games will not be able to obtain another place for their NOC; however, another athlete may compete for another place through the Santiago 2023 qualification system within the maximum quota per NOC.

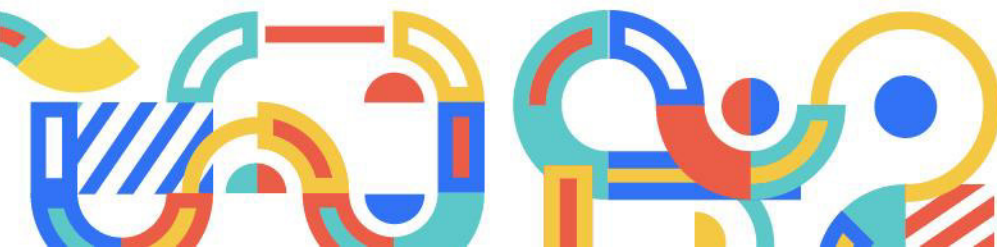

### **Qualification system**

Qualification for the Pan American Games is based on the results of the Senior Pan American Championship that will be held in May 2023 (results of the Qualification Competition).

In the event of a tie in the qualification, the tiebreaker rules set forth in Article 4.4.1 of Section 4 of the FIG Technical Regulations shall apply.

The places obtained are for the country, not for the athlete, except for the places granted in the Cali 2021 Junior Pan American Games, which are for the athletes mentioned in the previous section.

<b>Quota per gender</b>	<b>Type of quota</b>	<b>Qualification</b>	<b>No.</b>
1 – 10	Individual per CON	A maximum of 2 gymnasts from the 5 countries with the best two individual positions in the Qualification Competition.	5 x 2 = 10
11 – 12*	Individual per CON	A maximum of 1 gymnast from 2 different countries who obtain the best individual ranking in the Qualification Competition and who have not obtained quotas based on the criteria described above.	2 x 1 = 2
12*	Host country (*best ranked male or female athlete)	Only in case that the host country has not obtained any of the first 11 quotas, the 12 <sup>th</sup> quota will be granted to the host country's gymnast with the best individual ranking in the Qualification Competition (Male or Female).  Otherwise, the quota will be granted to the athlete from the best ranked country in the individual Qualification Competition who has not obtained a quota based on the two criteria described above.	1 = 1
<b>12 athletes</b>			<b>7 CONs</b>

For the Host NOC to receive the assigned quota, it must compete in the qualification competition in the respective category and event (2023 Trampoline Pan American Championship, Senior category).

“All NOCs qualified with 2 or more gymnasts must compete in the Synchronized event.”

In case that the Host NOC does not qualify an athlete for one of the events, the Host NOC may add one (1) additional quota for a representative from the country on the event for which it has not qualified. This additional quota must be granted with the approval of Panam Sports, the Games Organizing Committee and the National Olympic Committee. This quota must be additional to the 12 allocated among the qualified NOCs and the host country must compete in the qualification competition in the respective category and event (2023 Trampoline Pan American Championship, Senior category).

### ***Confirmation of quotas***

The PAGU will confirm to Panam Sports and to the NOCs the places that have qualified no later than June 15<sup>th</sup>, 2023.

The NOCs must confirm to Panam Sports and PAGU the places they will use no later than June 22<sup>nd</sup>, 2023.

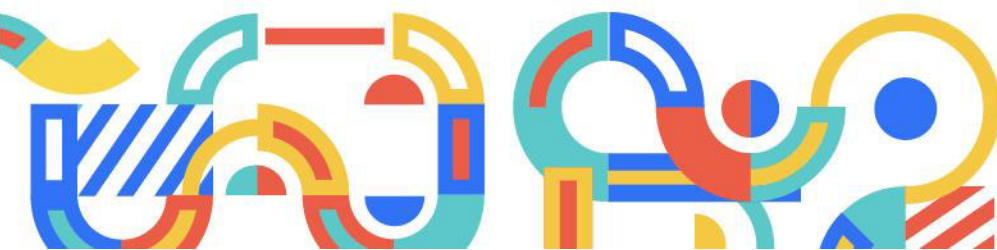

### ***Reallocation of unused quota places***

An order of priority to reallocate the quotas that could be left unused after the NOCs have confirmed their participation has been determined. The quotas will be reallocated according to the following criteria:

1. The gymnast from the next best ranked country in the 2023 Pan American Gymnastics Championship.
2. In case that the five (2) individual quotas (11 – 12) cannot be completed with gymnasts from countries other than those already qualified (less than 7 countries participating in the 2023 Trampoline Pan American Championship, Senior category), the quotas will be reallocated appointing a second gymnast from the countries with only one (1) gymnast, following the first qualification criteria.

If necessary, the Pan American Gymnastics Union will confirm the reallocation of unused quota places no later than June 26<sup>th</sup>, 2023.

The NOCs that receive reallocated places must confirm their participation no later than June 30<sup>th</sup>, 2023.

## Additional observations

The maximum number of persons that a NOC may officially register is the following:

Gymnasts	According to qualification.
Coaches	A maximum of 1 per gender. 1 additional coach for the athlete who qualified in Cali 2021, in case that his/her NOC qualifies with 2 additional athletes per gender (3 in total).
Judges	By appointment of the TRA PAGU Technical Committee of the UPAG, a maximum of 1 per country who fulfills the required FIG Category. If possible, priority will be given to the qualified countries and to the PAGU Technical Committee's members. The final number of judges per country may be adjusted depending on availability and the FIG Categories.
Head of delegation	A maximum of 1.
