No replacement of this athlete is possible except as outlined in the [FIG Qualification Document](#) and there is no possibility to submit a petition for this position.

1.4. Petition Procedures

Notwithstanding the process identified in the preceding sections of these Selection Procedures, USA Gymnastics recognizes that extraordinary and unforeseen circumstances may occur which would cause an athlete otherwise deserving of a spot on the 2020 U.S. Olympic Team because of her previous competition results to be unable to participate in one or more steps in that process. The petition must state the specific injury, illness or unusual circumstance which prohibited the athlete from participating in the competitive process. In the case of a petition based upon injury or illness, the petition must be accompanied by a physician's statement. The nature and extent of that injury or illness is subject to verification by a doctor (or medical staff) approved by USA Gymnastics. All petitions will be resolved within 14 days of submission to USA Gymnastics.

1.4.1. Petitions into the ~~2021~~ ~~2020~~ U.S. Women's Gymnastics Championships:

Procedures are listed in the ~~2020-2021~~ ~~2019-2020~~ Women's Rules and Policies found here:

https://usagym.org/pages/women/pages/rules_policies.html

1.4.2. Petitions into the 2020 U.S. Olympic Team Trials – Women's Gymnastics:

Petitions will be considered by the Athlete Selection Committee (see Section 2.3 for committee details), in consultation with the Vice President of the Women's Program, for any member of a previous Olympic or World Championships Team and from any athlete who has competed at either the ~~2021~~ ~~2020~~ American Classic, the ~~2021~~ ~~2020~~ US Gymnastics Classic, or a national team international competitive assignment that took place after the conclusion of the 2019 U.S. Women's Gymnastics Championships. Petitions will be evaluated using the same criteria listed in the ~~2020-2021~~ ~~2019-2020~~ Women's Rules and Policies found here:

https://usagym.org/pages/women/pages/rules_policies.html

In order to be considered by the Athlete Selection Committee for entry into the 2020 U.S. Olympic Team Trials – Women's Gymnastics, petitions must be

submitted in writing to the USA Gymnastics national office as soon as practical after the athlete becomes aware of her inability to participate in the process described above, but no later than the conclusion of the ~~2021~~ ~~2020~~ U.S. Women's Gymnastics Championships. All petitions will be resolved and communicated at the conclusion of the ~~2021~~ ~~2020~~ U.S. Women's Gymnastics Championships.

1.4.3. Petitions onto the 2020 U.S Olympic Team:

Any member of a previous Olympic or World Championships Team may petition directly onto the 2020 U.S. Olympic Team. In order to be considered by the Athlete Selection Committee, petitions must be submitted in writing to the USA Gymnastics national office as soon as practical after the athlete becomes aware of her inability to participate in the process described above, but no later than the conclusion of the 2020 U.S. Olympic Team Trials – Women's Gymnastics.

2. DISCRETIONARY SELECTION (if applicable)

2.1. Provide rationale for utilizing discretionary selection (if any):

The sport of gymnastics is a subjectively judged event. In the selection of athletes who will compete together as a team, it is difficult to make selection decisions based solely by the rank order to be competitive for both team and individual event medals. The current rules do not require athletes to compete on all events, which necessitate evaluating relative event strength and contribution to total team or event scores in order to maximize medal potential.

2.2. List the discretionary criteria and explain how they will be used (if any):

- a. In addition to any athlete(s) who may qualify to the team per 1.3.1.a. and 1.3.3. (by name), the Athlete Selection Committee will consider the following factors (in no particular order) when selecting the remaining 2020 U.S. Olympic Team members and potential replacement athletes [at least one (1) and up to three (3)]:
 - i. Final Results: The Final Results will be determined using combined results from both the ~~2021~~ ~~2020~~ U.S. Women's Gymnastics Championships (2 days of competition) and the 2020 U.S. Olympic Team Trials – Women's Gymnastics (2 days of competition).

- ii. Team needs and medal potential, any domestic and international performance and experience from 2016-2021~~0~~ including type, frequency, routine hit percentage and caliber of the event(s).
- iii. Composite strength of all the 2020 U.S. Olympic Team Members.
- iv. Start values (D Score) on each apparatus of all potential team members achieved at any official international assignment or national event during the competitive season and/or qualification events listed in 1.2.1 and 1.2.2.
- v. Execution (E Score) on each apparatus of all potential team members achieved at any official international assignment or national event during the competitive season and/or qualification events listed in 1.2.1 and 1.2.2.
- vi. Consistency (percentage of hit routines) shown by the gymnast in ~~2020~~ 2021 at any official international assignment or national event during the competitive season and/or qualification events listed in 1.2.1 and 1.2.2.
 - A hit routine is defined as a routine that does not include a large deduction or greater (as defined in the FIG Code of Points) on any single skill within the routine.
- vii. World Class presentation – the strength, endurance, technical execution standard and artistic components commensurate with World and Olympic presentation.
- viii. Physical capability to fulfill the training plan as directed by the High Performance Coordinator.
- ix. Demonstrated professional attitude and ability to positively contribute to the team dynamic.
- x. Any physical, training or performance factor, which might inhibit peak performance at the 2020 Olympic Games.

2.3. Provide the name of the committee that will be responsible for making discretionary selections, along with a complete list of the members' titles currently serving on the committee:

Athlete Selection Committee Members:

- USA Gymnastics High Performance Team Coordinator

- Athlete Representative
- USA Gymnastics Vice President of Women's Program – Voice, no vote

Note: An Independent Observer of Procedure appointed by a sub-committee of the USA Gymnastics Board of Directors will be present at the final selection meeting (no voice, no vote).

2.3.1. Specify the process that will be used to identify and handle any potential conflicts of interest involving a member of the committee.

https://usagym.org/pages/women/pages/selection_procedures.html

In the event a Selection Committee member has a conflict of interest or is unable to fulfill the obligations of the Selection Committee, a replacement will be named by the International Elite Committee.

3. REMOVAL OF ATHLETES

- 3.1. Prior to entry by name to the Local Organizing Committee by the USOPC, USA Gymnastics has jurisdiction over potential nominees.

An athlete who is to be nominated to the Team by USA Gymnastics may be removed for any of the following reasons, as determined by USA Gymnastics:

- 3.1.1. Voluntary withdrawal. Athlete must submit a written letter to USA Gymnastics' President/CEO.
- 3.1.2. Injury or illness as certified by a physician (or medical staff) approved by USA Gymnastics. If an athlete refuses verification of her illness or injury by a physician (or medical staff) approved by USA Gymnastics, her injury will be assumed to be disabling and she may be removed.

4. REPLACEMENT OF ATHLETES

4.1. Describe the selection and approval process for determining replacement athlete(s) should a vacancy occur:

4.1.1. Prior to submission of entries by Name to the Local Organizing Committee, including any applicable group or committee:
