The 2021 World Championships team, per FIG Technical Regulations, will be comprised of four (4) athletes; at least one (1) non-traveling replacement athlete may be selected.

1.3.1 In addition to the top two (2) All Around Senior athletes from the combined rank order of two days of competition at the 2021 U.S. Gymnastics Championships, a minimum of six (6) additional athletes from among the competitors at the 2021 U.S. Gymnastics Championships and petitioned athletes will be invited by the Athlete Selection Committee to the World Team Selection Event, utilizing the discretionary selection criteria outlined in 2.2.

This determination will be made by the High Performance Team Director or Team Leader, in consultation with credentialed coaching staff. If there is not a High Performance Team Director, a Team Leader will be named by the International Elite Committee and perform this function.

1.4 Petition Procedures

Notwithstanding the process identified in the preceding sections of these Selection Procedures, USA Gymnastics recognizes that extraordinary and unforeseen circumstances may occur which would cause an athlete otherwise deserving of a spot on the 2021 World Championships Team because of her previous competition results to be unable to participate in one or more steps in that process.

- 1.4.1. Procedures for petitioning into the 2021 U.S. Championships are listed in the 2020-2021 [Women's Rules and Policies](#).
- 1.4.2. Petitions into the World Team Selection Event will be considered by the Athlete Selection Committee and administered by the Vice President of Women's Program, for any member of a previous Olympic team or World Championships team, any athlete who has competed at the 2021 Winter Cup, 2021 American Classic, the 2021 U.S. Classic, or any athlete who competed in a National team assigned international competition in the fall of 2019 or spring of 2020.

- a. In order to be considered by the Athlete Selection Committee, petitions must be submitted in writing to the Vice President of Women's Program as soon as practical after the athlete becomes aware of her inability to participate in the process described above, but no later than **September 26, 2021**.

The petition must state the specific injury, illness or unusual circumstance which prohibited the athlete from participating in the competitive process. In the case of a petition based upon injury or illness, the petition must be accompanied by a physician's statement, which is subject to verification by USA Gymnastics Medical Staff.

1.4.3 Athletes may not petition directly to the 2021 World Championships Team.

2. DISCRETIONARY SELECTION

- 2.1. Provide rationale for utilizing discretionary selection (if any):

The sport of gymnastics is a subjectively judged event. In the selection of athletes who will compete together as a team, it is difficult to make selection solely by the All Around rank order and be competitive for both team and individual event medals. The current rules do not require athletes to compete in the All Around competition, which necessitates evaluating Individual Event strength and contribution to total team score in order to maximize medal potential.

- 2.2. List the discretionary criteria and explain how they will be used (if any):

The Athlete Selection Committee will use the following criteria when selecting members for the 2021 World Championships Team:

- Results from selected 2021 National Team Verification Camps (full routines on competition surfaces), the 2021 American Classic, 2021 U.S. Classic, 2021 U.S. Gymnastics Championships, international competitions, and World Team Selection Event.
- D - scores (Difficulty) - achieved at any official international assignment or national event during the competitive season and/or qualification events listed in 1.2.1 and 1.2.2.
- E - scores (Execution) - achieved at any official international assignment or national event during the competitive season and/or qualification events listed in 1.2.1 and 1.2.2.
- Consistency - percentage of made routines at any official international assignment or national event during the competitive season and/or qualification events listed in 1.2.1 and 1.2.2.

- A hit routine is defined as a routine that does not include a large deduction or greater (as defined in the FIG Code of Points) on any single skill within the routine.
- Composite Strength of all the World Team members with consideration of potential for Team, All Around and Individual Event medals.
- World Class presentation - the strength, endurance, technical execution standard and artistic components commensurate with World and Olympic presentation.
- Readiness to compete - current health status and physical preparedness of each gymnast.
- Physical capability to fulfill the training plan as outlined by the High-Performance Team Director or Team Leader.

2.3. Provide the name of the committee that will be responsible for making discretionary selections, along with a complete list of the members' titles currently serving on the committee:

Athlete Selection Committee

- High Performance Team Director, Tom Forster
- Representative named by IEC, Tatiana Perskaia
- Women's Program Athlete Representative, Jessie DeZiel
- Vice President of Women's Program, Annie Heffernon, Voice – no vote
- Independent Observer of Procedure – appointed by USA Gymnastics Board of Directors (no voice – no vote)

2.3.1. Specify the process that will be used to identify and handle any potential conflicts of interest involving a member of the committee.

In the event that an Athlete Selection Committee member is currently affiliated with any athlete in consideration for the 2021 World Championships Team or is unable to fulfill the obligations of the Athlete Selection Committee or continue for any reason, a replacement will be named by the International Elite Committee.

- 3.2 Removal may only occur by action of the Chief Programs Officer after consultation with the Vice President of Women's Program, the High Performance Director, the Athlete Representative, and an interview with the athlete and her coach. An athlete who is removed from the team pursuant to this provision has the right to a hearing per USA Gymnastics [Grievance Procedures](#).
 - 3.3 An athlete may be removed from the Team for an adjudicated violation of WADA, IF, USADA and/or USOPC anti-doping protocol, policies and procedures, as applicable. In such instances, the adjudication process will be managed by the United States Anti-Doping Agency.

4. REPLACEMENT OF ATHLETES
