Elite Committee Meeting Agenda

1. R&P Mobility Clarification

There is currently some confusion with the current verbiage in the R&P regarding mobility. The R&P currently reads August 1 to December 31 of the following year, however in practice athletes do not have to wait until August 1 to mobilize.

Motion to change the wording in the R&P to the following: "Athletes who obtain a mobility score have until December 31 of the following calendar year to verify his/her participation in the new level by competing in a USA Gymnastics sanctioned competition at the newly approved level. Athletes who do not verify participation at the new level within the allotted time frame will lose the ability to mobilize to the new level and will have to obtain the score again."

- **Motion: Nuno**
- **Second: Sergio**
- **Vote: unanimous**

2. Saluting Due to Injury/Illness

There was further discussion for the need for saluting at a competition to establish participation at a competition.

3. Open Elite

Discussion about Open Elite division. This item was tabled.

Meeting adjourned at 9:50pm.

4. Saluting Due to Injury/Illness

There was further discussion for the need for saluting at a competition to establish participation at a competition. The item was tabled indefinitely until such time that resources are available to provide support for a verifiable system.

5. 2018-2019 EDP

The committee would like to invite athletes that meet a qualifying score to camp, and then name the actual EDP team at camp. The committee would like to invite 120 athletes based on attendance numbers from previous years. National Office will progress with planning for these numbers, however logistics will dictate the actual maximum numbers possible.

6. Rule Change Procedures

Discussed a member-based approach for rule changes. Tabled for next week for brainstorming.

Meeting adjourned at 9:57pm.

Meeting called to order by Scott Lineberry at 9:15pm on August 13, 2018.

Sergio, Michael and Natalie were not present for this sitting.

7. Selection Procedures

There was discussion regarding specific changes to be made for 2019 selection procedures. Consideration be given to the qualification of OE vs Snr into WAGC 17-21 divisions, and standardizing the requirement for only the first three athletes to be required to hit the minimum score to all or none.

There was discussion about the philosophy and use of discretionary vs objective methods of selection.

Draft 2019 selection procedures will be presented to the Program Committee for their September meeting, and the Elite Committee will provide specific scores for inclusion following this meeting and based on Program Committee direction.

8. Rule Change Procedures

The committee agreed that a process should exist for members to propose rule changes. There was discussion regarding the possible process for this. It was agreed that this process should be simple for all T&T members to participate in. Item forwarded to the Program Committee for discussion at their September meeting.

9. E-Scores for National Qualifying and Mobility

Formalization of an in-principle agreement from the July 2 meeting. The committee discussed the idea of a DD minimum for National qualifying and decided that this was not required.

Motion that:

- Each discipline will require e-scores and difficulty minimums in preliminaries for elite mobility.
- In both elite mobility and national qualifying, in preliminaries, twenty skills must be completed for trampoline, sixteen skills must be completed in tumbling, and four skills must be completed in DMT as skills are defined in each event.

- **Motion: Nuno**
- **Second: Amber**
- **Vote: unanimous**

National mobility and qualification scores will be agreed upon at the next sitting.
