Elite Committee Meeting Agenda

1. **Synchro Warmup Timing**

USA Gym Champs Synchro numbers almost doubled from 2018. The committee discussed the issue that resulted with lack of warmup time, and possible solutions. It was noted that Elite Challenge has similar issues and should be considered simultaneously, although it may not have the same solution.

The committee members will consider the various options. Discussion was tabled for the next meeting.

2. **Spotting Requirements**

It is an ongoing challenge to fill spotting positions for training and competition at meets. The committee discussed options to fill spotting positions, and the suggestion was to try a signup sheet system for 2020 USA Gym Champs.

3. **Elite Mobility**

A question was raised if athletes could mobilize at WAGC. The committee agreed that they cannot, because different rules are used.

The committee discussed options for determining mobility. The topic was tabled, to be considered for the next quad.

4. **Petition Review Process**

The committee discussed the process of review by the Program Director and Elite Committee Chair

when elite athletes are unable to qualify through the competition process for USA Gym Champs. It was agreed that no changes would be recommended at this time.

5. Petition Process for Nationals

The committee discussed the current USA Gym Champs petition process for Nationals. The topic was tabled, to be considered for the next quad.

Meeting adjourned at 8:40pm.
