### Elite Committee Meeting Agenda

#### 1. Charlotte Drury

Charlotte Drury's results from 2018 and 2019 USA Gym Champs have been annulled by WADA due to not re-entering the testing pool in the time required. Charlotte's automatic selection to National Team has therefore also been annulled, as her reason for selection was based directly from her results at 2019 USA Gym Champs.

The committee was asked to discuss Charlotte's re-inclusion in the National Team (per the selection procedures) based on being named to two USA Gymnastics Sr. World Cup assignments (this selection did not depend on her 2019 USA Gym Champs results).

#### **Motion to select Charlotte Drury to the 2019-2020 Senior National team.**

- **Motion: Nuno**
- **Second: Michael**
- **Vote: unanimous**

#### 2. Strategic Planning

The committee received historical documents to aid in the project. It was agreed that first drafts would be due December 31, 2019, with a progress meeting to be held at World Championships selection camp.

#### 3. International Participation Representation

The committee has received communication relating to an upcoming approved International Participation Request: it has been requested that the athletes represent the U.S. instead of their respective clubs.

The Program Director has asked the committee to discuss this request for this scenario in particular, and as a precedent for future requests.

No motion was made, therefore the proposal died.

#### **4. WAGC Team Selection**

It was discussed whether due to the likelihood of athletes not making World Championships withdrawing from WAGC, that the selection committee names two alternates for WAGC.

It was agreed that Program staff will send out a form for athletes to commit to WAGC prior to selection camp. During the selection meeting at camp, the Selection Committee should discuss additional athletes that they would be prepared to select for WAG, in the event that spaces became available, however those athletes would not be named unless the opportunity arose.

All athletes will be required to commit and process for both WAGC and Worlds on the evening of October 20, unless completed prior.

Meeting adjourned at 12:30pm.
