### JO Committee Meeting Agenda

#### 1. 2021-2025 JO Program

The committee discussed goals and progressions for the new program.

There was an overall interest in promoting a similar skill level across all disciplines:

- Level 8: fulls
- Level 9: doubles
- Level 10: no change to current program

#### 2. Mobility

The committee agreed that it would be preferable for JO mobility to be managed internally by gyms and coaches, rather than the current policing system by the JO Chair. The responsibility would be on the gym to ensure their athletes compete at the correct and safe level.

**Motion to recommend to the Program Committee that JO mobility be managed internally by gyms and coaches.**

- **Motion: Jared**
- **Second: Crissy**
- **Vote: unanimous**

#### 3. Qualification to USA Gym Champs and Stars & Stripes

The committee discussed pros and cons of the current qualification system. It was agreed that no changes would be recommended.

#### **4. Competition apparel**

The committee discussed various elements of competitions apparel:

- Black trampoline pants: it was agreed that black trampoline pants should still be allowed at the JO level.
- Shorts: clarification was sought on whether branding, and patterns that go with the leotard but do not match, are permitted.
- Earrings: clarification was sought on the penalty for not removing earrings – is it a deduction or disqualification?
- Buns: the clarification was sought on the penalty for not having hair in a bun – is it a deduction or disqualification?

#### **5. DMT range**

The committee agreed to recommend to the Program Committee that the allowable range for DMT E scores be extended from 0.1 to 0.2.

The TC will also be asked to provide their opinion on this matter, then both recommendations will be discussed by the PC.

Meeting adjourned at 10:50pm.
