Program Committee Meeting Agenda

1. **Welcome**
 All attendees were asked to disclose any actual or potential conflicts of interest based on a review of the agenda.
 No conflicts of interest were brought forward by those present.
2. **New Quad Questions**
 There have been many questions presented to do with the new cycle rules and the committee have set a zoom webinar to talk through areas of confusion, for February 2, 2pm EST. The committee discussed an agenda for this meeting. A Q&A will be produced from the round table discussions.
3. **Illness at State / Regional Championships**
 The committee discussed a question raised about whether there would be an allowance for athletes unable to compete at State and/or Regional Championships, and thereby missing the opportunity to compete at Nationals (USA Gym Champs or Stars & Stripes). (This had previously been discussed in September during the R&P approval process (see item 9 & 16; 9/6/2) however with the continuing Covid situation it was agreed to re-open the discussion). It was agreed that no changes would be made to the published rules.
4. **Mobility at Finals**
 It was brought to the committee's attention that the R&P and CoPs do not specifically indicate that only preliminaries can be used for mobility. This has always been the case in the past – for example most meets do not use mobility panels for finals, however with the new cycle's rules it could now potentially be interpreted that finals could be used. It was agreed to update the R&P to clarify that only preliminaries can be used for mobility.

Meeting adjourned.
