Hurricane Harvey in Houston had a significant impact to the city and surrounding areas. USA Gymnastics reviewed numerous options to try and conduct the World Age Group Selection Camp at the Training Center, or to move the camp to another location, but the large number of participants, combined with the short time frame, rendered neither of those options a possibility. Due to the travel and international deadlines, rescheduling the camp for a later date was impossible. As a result, the Trampoline and Tumbling World Age Group Selection Camp scheduled for September 7-10 was cancelled. A call with the selection committee was conducted to name the World Age Group Team.

Meeting called to order by Catherine Cabral-Marotta. Meeting will entail the naming of the athletes attending World Age Group Competition Team.
