### Technical Committee Meeting Agenda

**1. Welcome**

All attendees were asked to disclose any actual or potential conflicts of interest based on a review of the agenda.

No conflicts of interest were brought forward by those present.

**2. Development Code of Points**

**2.1. Double Mini Routines Considered Started**

It was brought to the TC’s attention that the Development Code of Points refers to “*a competitor’s routine will be considered started once the athlete touches the double mini trampoline with his/her feet*” (plural), however the FIG Code of Points refers to “*foot*” (singular).

The committee felt that this did not require an update to the Development Code of Points.

**2.2. Repetition of Multiple Somersaults of 720° or More**

It was brought to the TC’s attention that the Development Code of Points refers to “*multiple somersaults of more than 720°*” rather than “*multiple somersaults of 720° or more*” in the tumbling and double mini sections clause 3.2.3 (trampoline is recorded correctly).

The committee agreed to update the Development Code of Points.

**Motion to update all references in the Development CoP to say, “multiple somersaults of 720° or more”.**
