

SECTION VI: ELITE PROGRAM

I. Program Description

A. Purpose

The Trampoline & Tumbling Elite Committee (EC) regulates the USA Gymnastics Elite Program. The Elite Program's purpose is to provide developmental and competitive Trampoline, Tumbling, and Double-Mini opportunities and provide a pool of talented athletes for national and international competitions.

B. Divisions

1. There are five divisions within the Elite Program: Youth 11-12, Youth 13-14, Junior, Open, and Senior.
2. Athletes must meet the age requirements on 31 December in the year of competition to compete in their respective Elite Division.
3. Elite divisions:

Divisions	Ages
Youth Elite	11-12
Youth Elite	13-14
Junior Elite	15-16
Open Elite	17 & Over
Senior Elite	17 & Over

C. Mobility System

1. The term "mobility season" is defined as August 1 until December 31 of the following calendar year. (For example, an athlete who earns a mobility score in January 2020 will have until December 31 of 2021 to verify and compete at that level).
2. During the Elite mobility season, an elite athlete must verify his/her participation in the new level by competing in a USA Gymnastics sanctioned competition at the newly approved level.
3. If an athlete does not verify participation in the new level within the elite mobility season, then the mobility loses its value.
4. In order to compete at the Elite level, an athlete must achieve the mobility score from Level 10 to Youth, Junior, or Open Elite.
5. Coaches must submit a Mobility Request Form ([Click here for form](#)) to the Elite Program Chair at ttmobility@usagym.org in order to move an athlete up from Level 10 or within the Elite levels. The Elite Program Chair must approve mobility before the athlete is eligible to compete at the higher level.
6. Athletes may NOT skip levels.
