## **A. Function**

The sub-committees are charged with specific T&T Program tasks (see specific descriptions below). Other sub-committees may be created by the PC as deemed necessary. All committee members must be active USA Gymnastics Competitive Coach, Judge, Owner/Managing Director or Meet Director members.

## **D. Elections**

1. A person may not accept more than one nomination within a single set of elections, for committee positions within the same committee.
2. Election is by simple majority of votes cast.
3. When a ballot has more than 4 nominees, a nominee must either win a majority of the votes, or a runoff be held between the candidates with the two highest number of votes cast.
4. In case of a tie, a runoff election will be conducted between the two candidates with the highest number of votes until one candidate receives a simple majority of the votes cast.
5. The runoff election will be conducted no later than 30 days following the election. The runoff election closes 30 days after the ballot is posted on the website.

## **E. Voting**

### **1. For all USA Gymnastics T&T Committees:**

- a. All members of the Committees will adhere to the USA Gymnastics' Conflicts of Interest Policy.
- b. When dealing with voting issues a quorum must be present at the time of voting. A majority of the voting Committee members present at a meeting shall constitute a quorum. Once a quorum is established, a majority vote of the present Committee members shall constitute action of the Committees.
- c. A majority vote is the majority of the votes cast.
- d. Each committee member may only cast one vote, regardless of the number of positions they hold. A person holding more than one position should declare the position from which their vote will be cast, for example:
  - i. A member holding more than one State Chair position should advise which state they will be voting on behalf of.
  - ii. A Region Chair also holding a State Chair position should advise whether they will be voting as the State Chair, or breaking any tie as the Region Chair.
