V. CAMP ETIQUETTE

The committee asked that camp rules be written and distributed to all coaches at the summit and at each training camp in an orientation meeting.

VI. WOMEN'S PROGRAM SUMMIT

The committee will present the agenda items to the body of national team coaches at the January training camp. Committee assignments were made.

VII. FINANCIAL ISSUES

Kathy presented the balance sheet to the committee for the IEC controlled funding. The committee instructed Kathy what to do regarding the current equipment issues at the ranch and regarding new equipment that will be necessary for the new gym addition.

In order for the Olympic Team Members to retain their funding, it will be necessary for them to attend the February training camp. No criteria are necessary for the readiness. The committee will review the standings after February to make decisions on the funding issues.
