- III. The committee discussed the national team responsibilities and instructed Kathy to strengthen the language in the National Team Manual regarding athlete responsibility and travel policies.

- IV. PAGU
The committee looked at the calendar and decided upon the November 9-14, 2010 for the PAGU camp.

- V. Elite Program
The committee reviewed the new initiatives introduced this year to the program (Zones, Judging Assignments, National Qualifiers, etc) and we for the most part pleased with the outcome. The committee requested that a call for bids for the 2011 National Qualifiers by sent out with a bid submission date of July 15th so that the calendar can be finalized at the Classic Meet. This will allow for the host clubs to promote better and the participating athletes clubs to better plan for attendance.
