1. Committee Representative

There was a tie for third place coach who will serve on the IEC for the 2010/2011 year. Since we have no written procedures to cover the tie vote, the committee agreed that the voting member would be determined by a coin toss. Mary Lee Tracy will serve as the voting member and Marvin Sharp will be the alternate. The committee will draft tie breaking procedures for the inclusion to the Operating Code.

2. Zone Administrators

The Committee reviewed the activities/events of the Zones and decided to appoint the following: Justin Howell, Ashly Baker, Enrique Trabanino and Tammy Harrison. Gary will contact the Zone Administrators to offer the position to the above individuals and update them on the duties and responsibilities.
