PREVENTION POLICIES

One-on-One Contact
One-on-one contact is defined as interaction between one Adult Participant and one Minor Athlete. One-on-one interactions between Adult Participants and Minor Athletes is not permitted under any circumstance and applies to all situations, both In-program and Out-of-program contact, except as stated in this policy.

Exceptions
USA Gymnastics recognizes the following exceptions to the prohibitions against one-on-one contact:

1. Emergency circumstances such as fires, medical emergencies, or minors left without parental supervision after practice or at a competition. In all emergency circumstances every effort must be made for the one-on-one policy to be maintained.
2. When a Dual Relationship exists, and parent/guardian has provided written consent annually; or
3. When the Close-in-Age Exception applies; or
4. If a Minor Athlete needs a Personal Care Assistant, and:
   - the Minor Athlete’s parent/guardian has provided written consent annually to the Member Club for the Adult Participant Personal Care Assistant to work with the Minor Athlete; and
   - the Adult Participant Personal Care Assistant has complied with the Education & Training Policy; and
   - the Adult Participant Personal Care Assistant has complied with USA Gymnastics background check policy.
5. In other circumstances specifically addressed in this policy that allow for certain one-on-one interactions if USA Gymnastics receives parent/guardian consent.

Observable and Interruptible
Contact is not one-on-one if it is observable and conducted at a distance allowing for interruption by another adult. One Adult Participant and one Minor Athlete alone in a USA Gymnastics Member Club or facility violates this policy.

Individual Training Sessions
One-on-One individual training sessions between an Adult Participant and Minor Athlete are not allowed. All individual training sessions with Minor Athletes must adhere to the following:

• Observable and interruptible at all times
• A minor’s legal guardian must be allowed to attend the individual training session
• All individual training sessions require advance, written consent from the Minor Athlete’s parent/guardian at least annually, which can be withdrawn at any time. This includes all one-on-one sessions as stated above
• Closed Circuit Broadcast and web-based viewing is not considered observable and interruptible under this policy. Another adult must be in the building and able to see and overhear all session activities.

* Consent forms may be found on the USA Gymnastics Safe Sport area of the website.

USA Gymnastics recognizes the following exceptions to the prohibitions against One-on-One Individual Training Sessions:

• When a Familial Dual Relationship exists, and parent/guardian has provided written consent annually or
• When the Close-in-Age Exception applies.

Meetings with Mental Health Professionals and Health Care Providers:
If a licensed mental health care professional or licensed health care provider meets one-on-one with a Minor Athlete, the meeting must be observable and interruptible without exception. Additionally:

• Another adult must be present at the facility and notified that a meeting is occurring, although the Minor Athlete’s identity need not be disclosed; and
• The Member Club, Meet Director, or other person of authority is notified that the provider will be meeting with a Minor Athlete; and

PREVENTION POLICIES

Parental Access to Practice at Member Clubs

Member Clubs must permit parents and guardians access to practice and training sessions.

- Access may include sitting areas, in person viewing options, closed-circuit broadcast (including audio) or similar methods of viewing.
- Each training session must be accessible to at least a portion of the Member Club’s parents/guardians and applied to both recreation and team programs. (subject to space and safety limitations)
- Participants and parents will respect the coach-athlete relationship and are not to interrupt training sessions, absent a concern that misconduct is occurring.
- Member Clubs may set parameters for appropriate viewing behavior.
- Member Clubs may not prohibit a specific parent or guardian from physical access without fair notice and process. The Member Club must provide a reasonable alternative for that parent or guardian to view their athlete’s training sessions, which can include allowing another designee approved by the parent to view practice.
- If a parent or guardian is prohibited from viewing their child due to inappropriate behaviors, a time limit must be set for return to viewing.

Closed-Circuit Broadcast and Live Streaming to Facilitate Parental Viewing:

Member Clubs may offer webcast viewing and live streaming services to parents as an alternative to in-person viewing, provided that:

- A written policy exists that includes:
  - Restrictions on sharing of videos and passwords to view such videos;
  - Storing and destruction of videos; and
  - Formal notice posted in public spaces of use of live streaming.
- A majority of the training space is visible on the live stream;
- Parents have the ability to live stream through the duration of their child’s class and/or as long as the child remains in the Club’s care;
- Streaming is password encrypted and presented to parents via a secure viewing platform with a password-protected viewing portal or app; and
- The club has ability and process in place to remove parent viewing access following disenrollment from a class or club in entirety.

Practices to Mitigate Risk

| Work closely with parents on a watch system that works best for the club and the parent. | Post guidelines related to viewing behavior, capacity, and how to report a problem if witnessed. |
| Review behaviors with parents that are and are not acceptable while in the viewing area at least annually. | When space is limited, Member Clubs and parents are encouraged to offer available space to parents with small children or children with behavior or health needs. |

Transportation

Absent emergency circumstances, Adult Participants shall not transport a Minor Athlete one-on-one during In-program or Out-of-program travel in a vehicle alone. A second Minor Athlete or second Adult Participant must always be present. This includes daily transportation to and from events occurring at the regular Member Club, or away from the regular Member Club, unless the following exceptions exist:

2. When the Close-in-Age Exception applies; or
3. If a Minor Athlete needs a Personal Care Assistant, and:

PREVENTION POLICIES

Transportation Sanctioned by USA Gymnastics and USA Gymnastics Member Clubs

For all In-Program travel authorized or funded by USA Gymnastics and USA Gymnastics Member Clubs, all Adult Participants will agree to and sign the Organization’s travel policy annually. Parents of Minor Athletes must give written consent on an annual basis for travel sponsored by USA Gymnastics or a Member Club. Parents of Minor Athletes can withdraw this consent at any time.

* Consent forms may be found on the USA Gymnastics Safe Sport area of the website.

Parental Consent for Travel Between One Adult Participant and One Minor Athlete

A Member Club may be offered an exception from the USA Gymnastics Safe Sport One-on-One Policy and provide “legal guardian consent” for the limited purpose of airline travel or local travel (such as by car.) The Member Club exercising this option will be responsible to indemnify USA Gymnastics from all liability, and must execute the terms of the Assumption of Liability, Release, and Indemnity Agreement before facilitating any one-on-one contact between Adult Participants and Minor Athletes.

It is the responsibility for all parties requesting one-on-one travel to read the full Assumption of Liability, Release, and Indemnity Agreement that can be found here. This includes Member Club management, Adult Participant, a person claiming dual relationship, and Parents/Guardians.

Supplemental Attachment: Travel Plan can be found here.

USAG expects full compliance with the one-on-one travel protection policies and discourages the use of exceptions unless absolutely necessary. USA Gymnastics will not grant or deny permission to travel in violation of the one-on-one policy. The receipt by USA Gymnastics of parental consent forms, trip itineraries or indemnification documents does NOT imply or indicate permission by USA Gymnastics for the travel to occur.

Failure to fully execute the terms of the Assumption of Liability and Indemnity Agreement, will jeopardize the Member Club’s member status, as well as that of the persons’ responsible for any intentional, reckless or material failure of those terms. Misconduct, ethical, or similar concerns are not exempt from the Safe Sport process under any condition.

Availability and Monitoring of Locker Rooms, Changing Areas, and Similar Spaces

Private or semi-private places must be made available for Minor Athletes to change clothes or undress at competitions or facilities partially or fully under the jurisdiction of USA Gymnastics or Member Clubs.

- A semi-private area is an area that is not separate from where other individuals are changing but offers the Minor Athlete some privacy to change. For example, a bathroom stall with a door would meet this requirement. A semi-private area can also be created by a partition or drapery.
- A private area is an area separated completely from anyone else changing. This area would be fully enclosed with a door, and no other individual would be able to enter without the Minor Athlete's permission. This could be a single restroom or family restroom, where the Minor Athlete can change alone and lock the door.

Designated Locker rooms or changing areas must be monitored with random sweeps at any facility in a USA Gymnastics sanctioned event or Member Club to ensure compliance with policy. Monitoring should occur at all facilities partially or fully under the jurisdiction of USA Gymnastics to include Member Clubs, meets, camps, and other In-Program events.

Meet Directors must communicate the availability of restrooms and changing areas for Minor Athletes and may encourage athletes and meet personnel to come dressed for the competition. Please see "Safe Sport Protocol for Sanctioned and Premiere Events," for further information.
