Dimas was the first American gymnast to earn a gold medal in a non-boycotted Olympics in over sixty years. His gold medal performance marked the first time in history and American gymnast had been awarded Olympic Gold for a performance when the Soviet Team was in the competition. Trent and his brother Ted competed together on Nebraska's 1990 NCAA National Championships Team. His father, Ted Sr., was a flyweight Golden Gloves boxing champion. Dimas' medal count in international competition triples that of his national record.
