Personal Info

Moore is the only child of John, a wholesale food company owner, and Terry, a bookkeeper/accountant for an animal hospital. He became involved in gymnastics at the age of 3, and has been participating in the sport ever since. He was a National Merit Scholar at Horizon High School in Scottsdale, Arizona. His favorite subject is physics and he is studying theoretical physics at UC Berkeley. When he is not in the gym, Moore enjoys playing his guitar and rock climbing. His goals in gymnastics include making a World Championships or Olympic Games team.
